**ARTICLE VII.**  
**Finances and Assessments**

Section 1. Depositories. The funds of the Corporation shall be deposited in such banks and depositories as may be determined by the Board of Directors and shall be withdrawn only upon checks and demands for money signed by such Officer or Officers as may be designated by the Board of Directors.

Section 2. Fidelity Bonds. The Treasurer and all Officers who are authorized to sign checks, all Officers and employees of the Corporation, and any contractor handling or responsible for Corporation funds may be bonded in such amount as may be determined by the Board of Directors.

Section 3. Fiscal Year. The fiscal year of the Corporation shall begin on the first day of January each year. The Board of Directors is expressly authorized to change to a different fiscal year in accordance with the provisions and regulations from time to time prescribed by the Internal Revenue Code of the United States of America at such time as the Board of Directors deems it advisable.

Section 4. Determination of Assessments.

- a) General Assessments: The Board of Directors has the power to and shall fix and determine, from time to time, the sum or sums necessary and adequate for the general expenses of the Corporation. The purposes and the basis of general assessments are set forth in the Declaration of Covenants, Conditions, and Restrictions of Carey Station. Terms capitalized but not otherwise defined herein shall have the meanings given to such terms in the Covenants.
- b) General assessments are necessarily made upon projections and estimates of the Board of Directors and may be in excess or less than the sums required to meet the cash requirements of the Corporation, in which event the Board of Directors may increase or decrease the amount of such assessment and make such adjustments in cash or otherwise as they shall

deem proper, including the assessment of each member for his pro rata share of any deficits. Notice of all changes in assessments shall be given to all members. When the Board of Directors has determined the amount of any general assessment, the Secretary shall submit a statement of such assessment to each member. Such notice shall state the date when said assessment is due, and thereafter said assessment shall bear interest at the rate of ten percent (10%) per annum simple interest until paid. General assessments shall be paid by the members in advance on an annual basis, as the Board of Directors shall, from time to time, direct. General assessments shall be payable at the office of the Corporation.

- c) Special Assessments: The Board of Directors has the power to fix and determine Special Assessments from time to time. Special assessment shall be levied by the Board of Directors in the same manner as the Board of Directors shall determine. Special assessments, when authorized and approved, may be made upon projections and estimates of the Board of Directors and may be in excess or less than the sums required to meet the cash requirements of the Corporation, in which event the Board of Directors may increase or decrease the amount of assessments and make such adjustment in cash or otherwise as they shall deem proper, including the assessment of each member for his pro-rata share of any deficits. Notices of all changes in special assessments shall be given to all members. When the Board of Directors has determined the amount of any special assessment, the Secretary shall submit a statement of special assessment due, and thereafter said assessment shall bear interest at the rate of ten percent (10%) per annum simple interest until paid. Special assessments shall be payable at the office of the Corporation.
  
- d) Specific Assessments: The Corporation may levy Specific Assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, utility installation, unexpected maintenance or repair, and replacement of Common Property and capital improvements thereon, if any, and to repay any loan made to the Corporation to enable it to perform the duties and functions authorized herein, provided that any such assessment shall not be rejected by a vote of the majority of the votes cast at a duly called meeting of the Corporation. Such Specific Assessments, in any one year, may not exceed a sum equal to the amount of the maximum annual assessment for two years except for emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss.
  
- e) The Corporation may levy specific assessments for the purpose of paying the expenses attributable to the Limited Common Property, or any portion of it (the "Limited Common Expenses"), which shall be allocated to and borne proportionately only by the Owners of those Lots entitled to use of the Limited Common Property so repaired or improved, provided that any such Specific Assessments for Limited Common Expenses shall be determined separately for each Limited Common Property and when fixed by the Board of Directors of the Corporation shall become effective as of the date specified by the Board of Directors unless rejected by a vote of the majority of those persons entitled to use the limited Common Property so assessed at a duly called meeting of the persons entitled to use the

Limited Common Property. At all times, any Special Assessment for any Limited Common Property shall be such amount as is necessary to defray expenses required to maintain any Limited Common Property according to the minimum standards set out by the Declarant, the Corporation, or the Architectural Review Board.

- f) The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. The failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration, and the cost of maintenance performed by the Association for which an Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; (b) expenses of the Association which benefit all Lots, but do not provide an equal benefit to all Lots may be specifically assessed equitably among all Lots according to the benefit received; and (c) expenses of the Association which are attributable to or incurred as a result of the conduct of an Owner or the Occupants, guests, tenants, invitees or licensees of the Owner may be specifically assessed against the Lot of such Owner.

Section 5. Due Date of Annual Assessment: The annual assessments shall be fixed on a calendar year basis, provided, however, that liability for payment of the initial annual assessment shall accrue on the initial purchase of any Lot by an Owner and shall be prorated on a daily basis according to the number of days remaining in the year (365 days) of purchase. Thereafter, payment of subsequent annual assessments shall be due on the first day of each calendar year or on such other dates as from time to time may be established by the Corporation. The Corporation may provide for monthly, quarterly, or semi-annual payment due dates for the annual assessment in lieu of an annual payment date, provided the Owners are given thirty (30) days prior notice of any change. Payment of the assessment shall be delinquent thirty (30) days after any due date or billing date. The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

Section 6. Budget: The Board of Directors shall adopt a budget for each fiscal year that shall include the estimated funds required to defray anticipated expenses and to provide and maintain funds to cover current expenses, including a reasonable allowance for contingencies and betterments, which shall include the funds to be used for capital expenditures for additional property that will be a part of the Corporation property, and operations, the amount of which may be to provide working funds or to meet losses.

Section 7. Co-Mingling of Funds. All sums collected by the Corporation from assessments may be co-mingled in a single fund or divided into more than one fund, as determined by the Board of Directors.

Section 8. Acceleration of Assessment Installments Upon Default. The Board of Directors shall have the power to collect assessments in monthly, quarterly, or semi-annual installments. If a member shall be in default in the payment of an installment upon any assessment, the Board of Directors may accelerate the remaining installments for the fiscal year upon notice thereof to the member and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice.

Section 9. Lien.

- a) Each of the parcels, lots, or units within Traditions at Carey Station is automatically made subject to a lien and permanent charge in favor of the Corporation for general assessments, Specific Assessments. Any and all of the assessments, together with interest thereon, if any, shall constitute a permanent charge upon and a continuing lien on the parcel, lot, or unit to which such assessments relate, and such permanent charge and lien shall bind such parcel, lot, or unit in the hands of any and all persons.
- b) In the event that any assessment shall not have been paid within thirty (30) days of the due date, the Secretary of the Corporation shall send a delinquency notice by certified mail to the delinquent member. In the event that any assessment shall not have been paid within thirty (30) days of receipt of said delinquency notice, the Treasurer shall certify to the Board of Directors the name and address, as well as the amount in arrears, of the member. The Board of Directors shall then cause to be prepared, for execution by the President of the Corporation or his designee, a Notice of Lien to be filed with the Clerk of the Superior Court of Greene County, Georgia. When necessary, on receipt of payment of a delinquent assessment, a satisfaction of lien shall be executed by the President of his designee and recorded. In the event that any assessment continues to remain in default, the Corporation may pursue its remedies at law or in equity.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to assessment. In the event of foreclosure upon said mortgage or mortgages such subordination shall apply only to the assessments, which have become due and payable prior to a sale or transfer of such property pursuant to a foreclosure of the mortgage. Such sale or transfer shall not relieve such property from liability for any assessment thereafter becoming due nor from the lien of any subsequent assessment.

**ARTICLE VIII.  
Compliance and Default**

Section 1. Violations. In the event of a violation by a member of any of the provisions of these By-Laws, or the Covenants, the Corporation, by direction of its Board of Directors, may notify the member, by written notice of said breach, and if such violation shall continue for a period of thirty

(30) days from the date of the notice, the Corporation, through its Board of Directors, at its option, may have the following choices:

- a) An action at law to recover damages on behalf of the Corporation or on behalf of the other members; or
- b) An action in equity to enforce performance on the part of the member; or
- c) An action in equity for such equitable relief as may be necessary under the circumstances, including injunctive relief.
- d) The Association shall have the authority to suspend said Owner's right to use of all Common Areas, Limited Common Areas, Common Property, and Limited Common Property incident to ownership of any lot, parcel or unit.
- e) Any violations, which are deemed by the Board of Directors to be a hazard to public health may be corrected immediately as an emergency matter by the Corporation, and the cost thereof shall be charged to the member as an individual assessment.

Section 2. Costs and Attorney's Fees. In any proceedings arising because of an alleged violation by a member, the Corporation, if prevailing, shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be determined by the court, including the cost of appeal.

Section 3. No Waiver of Rights. The failure of the Corporation to enforce any right, provision, covenant, or condition shall not constitute a waiver of the right of the Corporation to enforce such right, provision, covenant, or conditions of the future.

## **ARTICLE IX. Architectural Review Board**

The Board of Directors is authorized to establish an Architectural Review Board and to delegate to said Board the following powers:

- (a) To adopt, administer, and enforce uniform architectural and landscaping standards, which conform to the architectural, landscaping, and other restrictions in the Covenants recorded as to the property within Traditions at Carey Station. (c) To make special exceptions to any standards adopted by the Architectural Review Board or any review committees, upon proper allocation to the Architectural Review Board. The means and manner of such application shall be adopted by the Architectural Review Board.

Said Architectural Review Board shall consist of no fewer than three (3) members, at least two (2) of whom shall be members of the Corporation. However, until the termination of Declarant's rights, members of the Architectural Review Board need not be members of the Corporation. The Board of Directors may, in its sole discretion, appoint a professional architect, engineer, or land planner, who may or may not be a member of the Corporation, to serve on said Architectural Review Board and may provide that said architect, engineer, or land planner be fairly compensated for services. The Board of Directors may approve and distribute funds to meet the reasonable expenses of said Architectural Review Board.

The Architectural Review Board shall be responsible to the Board of Directors, which shall have a veto power over any decision made by the Architectural Review Board. The veto power may be exercised by a majority of the Directors at any Board of Directors meeting, after application made by an aggrieved member or by any member of the Architectural Review Board

The Architectural Review Board shall promulgate from time to time such procedural rules and regulations as it deems necessary and proper, which shall include, but not necessarily be limited to the following:

- (1) Guidelines and procedures to be followed by an applicant seeking its approval.
- (2) Guidelines and procedures to be followed by an applicant seeking a special exception.
- (3) An adequate application form to be prepared and submitted by an applicant seeking its approval as a special exception.
- (4) A schedule of reasonable fees applicable for the processing of applications.
- (5) A procedure for calling a meeting of the Architectural Review Board or committee (which may include regularly scheduled meetings).
- (6) Such other procedural rules, regulations, and requirements as the Architectural Review Board may deem necessary and proper, which are not in conflict with the By-Laws and Covenants.

## **ARTICLE X. Amendments to the By-Laws**

These By-Laws may be altered, amended, or added to at any duly called meeting of the Board of Directors, or by unanimous written consent of the Directors, until the sale of all Declarant properties. Thereafter, these By-Laws may be altered, amended, or added to at any duly called meeting of the members, provided:

- (1) Notice of the meeting shall contain a statement of the proposed amendment.
- (2) The amendment shall be approved by the majority vote of the members voting at such meeting.

**ARTICLE XI.**  
**Notices**

Whatever notices are required to be sent to members, such notices shall be sent to the addresses of the parcels, lots, or units and shall be deemed received three days after mailing, unless the member gives written notice to the Secretary of the Corporation that notices are to be sent to some other address.

**ARTICLE XII.**  
**Liability Survives Termination of Membership**

The termination of membership in the Corporation shall not relieve or release any former member from any liability or obligations incurred under or in any way connected to said membership or impair any rights or remedies, which the Corporation may have against such former member arising out of or in any way connected with such membership and the Covenants and obligations incident thereto.

**ARTICLE XIII.**  
**Parliamentary Rules**

Robert's Rules of Order (latest edition) shall govern the conduct of the Corporation meeting when not in conflict with these By-Laws.

**ARTICLE XIV.**  
**Rules and Regulations**

The Board of Directors may, from time to time, adopt or amend previously adopted administrative Rules and Regulations governing the details of the use and maintenance of properties within Traditions at Carey Station in order to assure compliance with the Covenants, any rule or decision of the Architectural Review Board or the Declarant, and the By-Laws of the Corporation. A copy of the rules and regulations adopted from time to time, as herein provided, shall, from time to time, be made available upon request of any member.
