Article 2 Property Subject To This Declaration

2.1 Property Hereby Subjected to This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held,

transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation by Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Fulton County, Georgia land records a Supplementary Declaration describing the property being subjected. Any annexation shall be effective upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

Inclusion of property on Declarant's site plan or concept plan or property described in Exhibit "B" shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as the rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, regardless of whether such uses are consistent with the covenants and restrictions imposed herein.

2.3 Annexation by the Association. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Fulton County, Georgia land records a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration in the Fulton County, Georgia land records, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant may remove any portion of the Community from the coverage of this Declaration and the jurisdiction of the Association, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any withdrawal shall be accomplished by filing an amendment to this Declaration which: (a) describes the property to be removed; and (b) is executed by the Declarant and the Owner(s) of the property being removed if not the Declarant. Any withdrawal shall be effective upon filing for record of such amendment in the Fulton County, Georgia land records unless a later effective date is provided therein. Notwithstanding anything to the contrary herein, any withdrawal shall require the consent of the Declarant and the owner of the property to be

withdrawn if not the Declarant, but shall not require the consent or approval of any Lot Owner in the Community.

Article 3

Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate an Owner's membership. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to cast one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one (1) Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations of the Association or Architectural Guidelines, established pursuant to Section 6.3 hereof.

Article 4

Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments.

(a) General. Each Owner of a Lot, by acceptance of a deed therefor, regardless of whether it is expressed in such deed, covenants and agrees to pay to the Association: (i) general assessments; (ii) special assessments; (iii) specific assessments; and (iv) Townhome Lot assessments as provided in Section 4.7 hereof, as applicable. All assessments, together with late charges (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent

(10%) of the amount of the assessment or installment not paid when due), interest (at a rate of ten percent (10 %) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and a continuing lien in favor of the Association on the Lot against which each assessment is made. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with O.C.G.A. Section 13-1-11(a)(2).

(b) Creation of Lien. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each assessment, together with late charges, interest and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

(c) No Exemption from Assessments. No Owner may waive or otherwise be exempt from liability for the assessments provided for herein for any reason, including, by way of illustration and not limitation, the following: (i) abandonment of the Lot; (ii) nonuse of the Common Property, including, without limitation, the Amenity Area; (iii) the Association's failure to perform its obligations required under the Declaration; or (iv) inconvenience or discomfort arising out of the Association's performance of its duties. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 Budget. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the general assessment to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of such general assessment. The budget and the general assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, in the event the membership and Declarant disapprove the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect shall continue.

4.4 General Assessments. General assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which

may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the general assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, improvements to the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, the following: (a) sums for property taxes for the Common Property; (b) insurance premiums; (c) legal and accounting fees; (d) management fees; (e) charges for utilities and other services provided by the Association, including, without limitation, street lights; (f) costs to maintain the Community entry features, including any electricity, landscaping, and irrigation expenses associated therewith; (g) costs to maintain the centralized mailboxes and mailboxes located thereon; (h) costs to maintain the Private Streets, sidewalks and street signs; (i) landscaping to Common Property; (j) costs to operate, maintain and insure the Amenity Area; (k) costs to operate, maintain and repair the Gate System; (l) costs to maintain the storm water detention/retention ponds; and (m) expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for the indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.5 Special Assessments. The Association, acting through the Board of Directors, may levy a special assessment against all Owners in the Community for unbudgeted or unanticipated expenses or expenses in excess of those budgeted. So long as the total amount of special assessments allocated to each Lot in a fiscal year does not exceed the amount of the general assessment in such fiscal year, the Board may impose the special assessment without a vote of the Owners. Except for special assessments levied pursuant to Section 9.3 hereof, any special assessment which would cause the total amount of the special assessments allocated to any one Lot in a fiscal year to exceed the amount of the general assessment in such fiscal year must be approved by two-thirds (2/3) of the Total Association Vote and the Declarant in order to be effective. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.6 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. The failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. By way of explanation and not limitation, the following shall constitute specific assessments: (a) fines levied pursuant to this Declaration; (b) the working capital contribution as provided in Section 4.14 hereof; (c) the cost of maintenance performed by the Association for which an Owner is responsible; and (d) if the Board so determines, the cost of landscape maintenance provided to the Detached Lots as provided in Section 5.3 hereof.

The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; (b) expenses of the Association which benefit all Lots, but do not provide an equal benefit to all Lots may be specifically assessed equitably among all Lots according to the benefit received; and (c) expenses of the Association which are attributable to or incurred by a particular Owner or the Occupants, guests, tenants, invitees or licensees of the Owner may be specifically assessed against the Lot of such Owner.

4.7 Townhome Lot Budget and Townhome Lot Assessments.

(a) Townhome Lot Budget. In addition to the budget adopted pursuant to Section 4.3 hereof, the Board shall also prepare a budget covering the estimated expenses to be incurred during the coming year for the Townhome Lots, which shall include, but not be limited to the following: (i) costs associated with the maintenance to the residential dwellings located on Townhome Lots; (ii) costs of maintaining insurance on the Townhome Lots pursuant to Section 9.5 hereof; and (iii) reasonable reserves as the Board determines to be necessary and advisable. The Board shall cause a copy of such budget and the Townhome Lot assessment for the coming year to be delivered to each Owner of a Townhome Lot at least thirty (30) days prior to the due date of such assessment. The budget and Townhome Lot assessment shall become effective unless disapproved by a majority of the Owners of Townhome Lots and Declarant. Notwithstanding the foregoing, however, in the event the Townhome Lot Owners and Declarant disapprove the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect for the Townhome Lots shall continue.

(b) General Townhome Lot Assessments. Townhome Lot assessments cover those expenses which are incurred solely for the benefit of the Townhome Lots in the Community. Townhome Lot assessments shall be allocated equally among all Townhome Lots and shall be in addition to the general assessment paid by all Lot Owners in the Community. Townhome Lot assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the Townhome Lot assessment shall be paid in monthly installments.

(c) Special Townhome Lot Assessments. The Association, acting through the Board of Directors, may levy a special assessment against all Owners of Townhome Lots for unbudgeted or unanticipated expenses for the Townhome Lots or expenses associated with the Townhome Lots in excess of those budgeted. So long as the total amount of special assessments allocated to each Townhome Lot does not exceed the total amount of the general assessment and the Townhome Lot assessment in any one fiscal year, the Board may impose the Townhome Lot special assessment without a vote of the Owners of such Townhome Lots. Except for special assessments levied pursuant to Section 9.3 hereof, any Townhome Lot special assessment which would cause the amount of the special assessments allocated to any one Townhome Lot in a single fiscal year to exceed the total amount of the general assessment and the Townhome Lot

assessment must be approved by Owners of at least two-thirds (2/3) of the Townhome Lots and the Declarant in order to be effective. Townhome Lot special assessments shall be paid as determined by the Board. The Board may permit a Townhome Lot special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

(d) Segregated Accounts. Townhome Lot Assessments and other funds collected by the Association from the Owners of Townhome Lots which exclusively benefit the Townhome Lots shall be placed in a general operating account and reserve account exclusively for the benefit of the Townhome Lots. The Townhome Lot bank accounts shall be separate from the Association's other bank accounts and shall not be comingled with general funds and reserve funds applicable to the entire Community.

4.8 Subordination of Liens to Mortgages. Notwithstanding anything to the contrary in this Declaration or any other document related thereto or executed in connection therewith, the lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only a lien as it relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the satisfaction, cancellation or foreclosure of such Mortgage. Such subordination is merely a subordination and: (a) shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; (b) shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's transferee or assignee by foreclosure); and (c) no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a foreclosure, or pursuant to any other proceeding in lieu of foreclosure, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or any Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

4.9 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer or conveyance; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves.

Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due) and interest (at a rate of ten percent (10%) per annum on the principal amount due). As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising

hereunder shall also include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2).

The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Fulton County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments.

Each Owner, by acceptance of a deed, vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also: (a) suspend the membership rights of the delinquent Owner, including the right to vote; (b) suspend the right of the delinquent Owner to use and enjoy the Common Property, including, without limitation, the right to use and enjoy the Amenity Area; (c) suspend the right of the delinquent Owner to receive and enjoy such services and other benefits as may then be provided by the Association, if any; and (d) deactivate any gate card, remote, access card or other equipment used in connection with the Gate System. Any suspension shall not affect an Owner's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.10 Date of Commencement of Assessments.

(a) General. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that such Lot has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy.

(b) Model Homes. Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as such Lot is approved for use as a model home and is not occupied for residential purposes.

4.11 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint and remove the directors and officers of the Association, Declarant may, but shall have no obligation to: (a) advance funds or contributions of services or materials or a combination of services and materials, rather than money (herein collectively called an "in kind contribution"), or a combination of these, to the Association sufficient to satisfy the deficit, if

any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the general, special and specific assessments collected by the Association in any fiscal year (such advances may be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community; provided, however, no Mortgage secured by the Common Property or any of the structures or improvements maintained by the Association shall be given in connection with such loan, unless the loan has been approved by Owners of at least two-thirds (2/3) of the Lots and the Declarant as provided in Section 10.2(d) hereof.

4.12 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.13 Estoppel Letter. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Lot, or a lender considering a loan to be secured by a Lot, shall be entitled, upon written request, to a statement from the Association or its managing agent setting forth the amount of assessments past due and unpaid, including any late charges, interest, fines, or other charges against that Lot. Such request shall be delivered to the registered office of the Association, and shall state an address to which the statement is to be directed. The Association shall, within five (5) business days after receiving a written request therefor, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. The Association may charge a reasonable fee as may be permitted by law as a prerequisite to the issuance of such statement. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association. It is the intent of this provision to comply with O.C.G.A. Section 44-14-15(c), as amended.

4.14 Working Capital Contribution.

(a) General. Upon each and every transfer or conveyance of title to a Lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution in an amount determined by the Board from time to time shall be collected from the new Owner at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association. The working capital contribution may be used by the Association for any purpose which provides a direct benefit to the Community, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration.

(b) Townhome Lot Capital Contribution. In addition to the working capital contribution paid by all Lot Owners as provided in subsection (a) hereof, upon each and every conveyance of

a Townhome Lot, after such Townhome Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Owner thereof shall pay a capital contribution in an amount determined by the Board from time to time. The capital contribution applicable to the Townhome Lots shall be collected at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association. Notwithstanding anything to the contrary herein, the working capital contribution applicable to the Townhome Lots shall be placed in a separate reserve account to be used exclusively for the Townhome Lots and may be used by the Association for any purpose which exclusively benefits the Townhome Lots.

The working capital contributions provided for herein shall constitute specific assessments against the Lot, shall be in addition to, not in lieu of, the general assessment and shall not be considered an advance payment of such assessment. Notwithstanding the foregoing, the working capital contribution shall not apply to the holder of any first Mortgage on a Lot who becomes the Owner of a Lot through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage, but shall apply to the Owner acquiring title to the Lot from the foreclosing Mortgagee.

Article 5 Maintenance; Common Property

5.1 Association's Maintenance Responsibility.

(a) General. The Association shall maintain and keep in good repair the Common Property, which shall include, without limitation, the maintenance, repair and replacement of all landscaping and improvements situated thereon. The Association shall also maintain (whether or not constituting Common Property) the following:

(i) all entry features and entry area landscaping serving the Community and any irrigation system and/or lighting system serving such entry features and entry area landscaping, regardless of whether they are located on a Lot, Common Property or within a public right-of-way;

(ii) limited maintenance to the exterior of a Townhome Lot as provided in Section 5.2 hereof;

(iii) landscaping in the Community as provided in Section 5.3 hereof;

(iv) all pipes, utility lines, wires, plumbing, conduits and systems that serve more than one (1) Townhome Lot or any portion of the Common Property, if and to the extent the same are not maintained on an ongoing basis by a governmental entity or third party;

(v) the centralized mailbox area and the mailboxes located thereon;

(vi) exterior lighting serving the Community, including, without limitation, street lights, if and to the extent the same are not maintained on an ongoing basis by a governmental entity or third party; provided, however, the Association shall not be responsible for the maintenance, repair and replacement of any exterior lighting attached to, exclusively serving or located on the residential dwelling on a Lot;

(vii) the Private Streets, sidewalks and street medians and street islands and landscaping located within such street medians and islands;

(viii) any retaining walls located in the Community, regardless of whether they are located on a Lot or Common Property;

(ix) any perimeter fencing in the Community;

(x) all storm water detention/retention ponds and storm water drainage facilities which exclusively serve the Community and any gate, fence, wall or other enclosure surrounding said storm water detention/retention ponds in accordance with any indemnification and/or maintenance agreement as may be recorded in the Fulton County, Georgia land records; provided, however, the Association shall not be responsible for any maintenance, repair or replacement to any storm water drainage facilities which exclusively serve a Lot;

(xi) the Gate System; and

(xii) the Amenity Area.

The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

The Association shall have the right, but not the obligation, to maintain other property which it does not own, regardless of whether such property is located within or outside of the Community, where the Board has determined that such action would benefit the Owners. In addition to the foregoing, the Board, with the consent of the Declarant and without a vote of the members, shall have the right to enter into easements and covenant to share cost agreements where the Board has determined that such action would benefit the Owners. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Lot of such Owner as a specific assessment. All maintenance by the Association shall be performed consistent with the Community-Wide Standard.

5.2 Maintenance of Lots.

(a) General. Except for maintenance performed on or to a Lot by the Association pursuant to Sections 5.1, 5.2(c) and 5.3 hereof, all maintenance of the Lot and all structures and other improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. All maintenance to a Lot by the Owner thereof, regardless of whether such Lot is a Townhome Lot or Detached Lot, shall include, without limitation, the following: (i) prompt removal of all litter, trash, refuse, and waste; (ii) keeping improvements and exterior lighting in good repair and working order; (iii) all driveways and walkways which exclusively serve the Lot; (iv) complying with all governmental health, fire safety and police requirements; (v) maintaining grading and storm water drainage as originally established on the Lot; (vi) repairing exterior damage to improvements; (vii) maintaining, repairing and replacing all pipes, wires and conduits, including, without limitation, storm water drainage facilities, plumbing, electric and sanitary sewer systems, which exclusively serve the Lot, regardless of whether said pipe(s), wire(s) or conduit(s) are located within or outside of the Lot's boundaries; (viii) all exterior lighting fixtures which exclusively serve the Lot; and (ix) all maintenance and repair to decks (whether enclosed or not) and deck surfaces, patios (whether enclosed or not) and patio surfaces and all support structures relating to the same; provided, however, in the case of a Townhome Lot, the Association may be responsible for the maintenance or repair of a deck or patio if such maintenance or repair arises out of a casualty or damage which is covered by the Association's insurance policy.

(b) Detached Lots. In addition to the obligations set forth in subsection (a) hereof, the Owner of a Detached Lot shall be responsible for all maintenance, repair and replacement to the residential dwelling located on such Detached Lot, which shall include, but not be limited to, the following: (i) all components of the roof, roof support structures, and joists; (ii) downspouts and gutters; (iii) foundations and footings, including waterproofing, both above and below grade; and (iv) all exterior building surfaces of the residential dwelling located on the Detached Lot, including, without limitation, painting and/or pressure and washing as needed.

(c) Townhome Lots.

(i) By the Association. As provided in Section 5.1 above, the Association shall maintain and keep in good repair certain exterior portions of the residential dwellings located on the Townhome Lots in the Community on a schedule determined by the Board of Directors in its sole discretion. Exterior maintenance performed to a residential dwelling located on a Townhome Lot by the Association shall be limited to the following: (A) all roofs, downspouts, gutters, roof decking, sheathing and flashing; (B) all exterior building surfaces (with the exception of hardware and glass), including the exterior surfaces of garage doors (with the exception of hardware and glass); (C) all walkways that serve more than one Townhome Lot; and (D) window caulking. The Association shall not be responsible for waterproofing foundations either above or below grade.

The Board of Directors may promulgate rules setting forth the extent of maintenance to be performed by the Association and may assume responsibility for providing additional maintenance to the Townhome Lots as long as all Townhome Lots are maintained according to the same standard.

In the event any personal property of an Owner or Occupant, including, but not limited to, any satellite dish, grill or patio furniture, is stored, placed or affixed to a deck, patio, courtyard, balcony, the exterior of a residential dwelling located on a Townhome Lot, or such other areas the Association is responsible for maintaining pursuant to this Article 5, the Association shall have the right, but not the obligation, in the Board's sole discretion, to remove and reinstall such personal property in order to perform its maintenance responsibilities hereunder, and any and all costs associated with the removal and reinstallation of such property may be assessed against the Townhome Lot of such Owner or Occupant as a specific assessment. Additionally, in the event the Association incurs additional maintenance costs because an Owner's or Occupant's personal property is stored, placed or affixed to any area the Association is obligated to maintain, the Association shall have the right to specifically assess such additional maintenance costs against the Townhome Lot of such Owner or Occupant. In the event damage or destruction of any such personal property occurs during the performance of any maintenance, repair or replacement hereunder, the Association, and the officers, directors, agents, representatives or employees thereof, shall not be liable for such damage or destruction.

(ii) By the Townhome Lot Owner. Except for maintenance performed on or to a Townhome Lot by the Association pursuant to Section 5.1 and Section 5.2(c)(i) hereof, all maintenance, repair and replacement of the Townhome Lot and all structures and other improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Townhome Lot in a manner consistent with the Community-Wide Standard and this Declaration. Maintenance by the Owner shall include, without limitation, the following: (A) HVAC or similar equipment, regardless of whether it is located outside the boundaries of the Townhome Lot; (B) all doors, including screen and storm doors, garage doors, and door hinges, frames, glass, screens and hardware which are part of the entry system; (C) hose bibs contained in the exterior walls of a Townhome Lot; (D) all glass and hardware and exterior window screens, window frames and window flashing; (E) foundations and footings, including waterproofing, either above or below grade; (F) repairing exterior damage to improvements; and (G) except as otherwise specifically provided herein, any pipe(s), wire(s), conduit(s), utility lines, plumbing and sanitary sewer and water lines which serve only the Townhome Lot, regardless of whether said pipe(s), wire(s), conduit(s), utility lines, plumbing and sanitary sewer and water lines are located within or outside of the Townhome Lot's boundaries.

(d) Maintenance Standards. Each Owner of a Townhome Lot or a Detached Lot, as applicable shall be obligated to: (i) perform such Owner's maintenance responsibility in such manner so as not to unreasonably disturb other Persons in or on other Lots; (ii) promptly report to the Association or its agent any defect or need for repairs for which the Association is responsible; and (iii) not make any alterations in the portions of the Lot which are to be maintained by the Association, if any, remove any portion thereof, make any additions thereto, or

do anything with respect to the exterior or interior of such Lot or the structures thereon which would or might increase the Association's maintenance costs or jeopardize or impair the safety or soundness of any Lot or any structure or improvement located thereon, without first obtaining the written consent of the Board and all Owners and Mortgagees of the Lots affected. Each Owner shall also not impair any easement without first obtaining written consent of the Association and of the Owner or Owners and their Mortgagees for whose benefit such easement exists.

5.3 Lawn and Landscape Maintenance.

(a) Landscaping to Common Property. As provided in Section 5.1 above, the Association shall be responsible for all landscaping to the Common Property. The Board of Directors in its sole discretion may leave portions of the Common Property as undisturbed natural areas and may change the landscaping to the Common Property at any time and from time to time or may, with the consent of the Declarant, change the level of maintenance performed. The Board of Directors may promulgate rules setting forth the extent of landscaping maintenance to be performed by the Association to the Common Property and the rights of Owners with respect to adding or modifying landscaping improvements to the Common Property, including, for example allowing seasonal flowering plants in portions of the Common Property at the expense of the Owner. Owners shall not add trees, shrubs, bushes, plants or other vegetation to the Common Property without the prior written consent of the Board of Directors. Any landscaping improvements originally installed by an Owner on the Common Property which are not properly maintained by such Owner, including, but not limited to, damaged, diseased or dead plants, shrubs and trees may, at the sole discretion of the Board of Directors, be removed from the Community and all costs associated therewith may be assessed against the Owner and the Lot as a specific assessment.

(b) Landscaping to Detached Lots.

(i) By the Association. As provided in Section 5.1 above, the Association shall perform landscape maintenance to the Detached Lots in the Community, which shall be limited to the following: (A) lawn mowing on a regular basis; (B) tree and shrub pruning; (C) edging; and (D) such other landscape maintenance to Detached Lots as may be determined by Board resolution to be in the best interest of the Owners of Detached Lots. In addition, notwithstanding anything herein to the contrary, the Board of Directors in its sole discretion, may, with the consent of the Declarant and upon sixty (60) days' written notice to the Owners, change the level of landscape maintenance performed to the Detached Lots or terminate the provision of landscape maintenance to the Detached Lots entirely, so long as all Detached Lots are treated equally. In the event the Board of Directors elects to reduce the level of landscape maintenance performed or terminate the provision of landscape maintenance to the Detached Lots as provided herein, the landscape maintenance obligations of the Association shall shift to the Owners and each Owner shall be responsible for landscape maintenance on such Owner's Detached Lot to the extent not provided by the Association.

The Board of Directors shall have the right, but not the obligation, to assess the cost of landscape maintenance provided by the Association to the Detached Lots as a specific assessment against the Detached Lots in accordance with Section 4.6 hereof.

(ii) By Owners. Each Owner shall be responsible for maintaining landscaping on such Owner's Detached Lot to the extent the same is not maintained by the Association pursuant to subsection (i) above, which shall include, but not be limited to, the following: (A) monitoring plants, shrubs and lawns for insecticide and disease; (B) irrigation; (C) keeping lawn and garden areas generally alive and attractive; (D) maintaining any landscaping improvements installed by the Owner in accordance with the provisions of this Declaration; and (E) watering landscaped areas. Landscaping improvements installed by an Owner in accordance with the provisions of this Declaration shall be maintained by the Owner in a manner consistent with the Community-Wide Standard. Any landscaping improvements on a Detached Lot which are not properly maintained, including, without limitation, dead, diseased, damaged or dying plants, trees and shrubs may, at the sole discretion of the Board of Directors and subject to the notice provisions in Section 5.4 hereof, be removed from the Community and all costs associated therewith shall be a specific assessment against the Detached Lot of such Owner.

(iii) Fences. In the event that a fence is erected or installed on a Detached Lot by Declarant or an Owner pursuant to the provisions of Article 6 hereof, the Association shall continue to maintain the area enclosed by said fence; provided, however, the Owner must allow access through an unlocked gate and no pet shall be present in the area at the time of such maintenance in order for the area enclosed by said fence to be maintained by the Association. In the event that the Detached Lot Owner refuses access to the area enclosed by the fence, the gate is locked or a pet is present in such area at the time that maintenance is performed by the Association or its agents, said Owner shall not be entitled to a reduction in the liability for assessments due in the event the Association is unable to maintain the enclosed property and such Owner shall be obligated to maintain such area in a manner consistent with the Community-Wide Standard.

5.4 Failure of Owner to Maintain. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement to be performed. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable period of time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement to the Lot and all costs associated therewith shall be assessed against the Owner and the Lot as a specific assessment. This provision shall not apply to any Lot(s) owned by the Declarant unless improved with a dwelling and occupied as a residence.

5.5 Conveyance of Common Property by Declarant to Association; No Implied Rights.

Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. So long as Declarant owns any property primarily for development and/or sale in the Community or owns any property which may be annexed to the Declaration as provided herein, Declarant may, upon written notice to the Association, require the Association to reconvey to Declarant all or any portion of the Common Property, improved or unimproved, at no charge to Declarant, without a vote of the members of the Association, if all or any portion of the Common Property is: (a) found by Declarant to have been conveyed in error; (b) needed by Declarant to make adjustments in property boundary lines; or (c) needed by Declarant due to changes in the overall scheme of development for the Community.

The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any conveyance to the Association, to reconvey such property on behalf of the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any conveyance to or reconveyance from the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether such property has been made available for the use of Owners. Declarant may reserve, by lease, license, easement or otherwise, such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until such property rights, easements or licenses are conveyed by the Declarant to the Association or the Owners, as the case may be, by an instrument recorded in the Fulton County, Georgia land records.

5.6 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.7 Condemnation. In the event of a taking by eminent domain of all or any portion of the Common Property on which improvements have been constructed, the Association shall, if reasonably possible, restore or replace such improvements on the remaining Common Property, unless within sixty (60) days after such taking, an alternative plan is approved by at least

seventy-five percent (75%) of the Total Association Vote and the Declarant. The provisions of this Declaration applicable to the replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.8 Gate System. It is anticipated that the Declarant will install the Gate System. Each Owner, by accepting a deed to a Lot, shall be deemed to acknowledge and agree to the following:

(a) The Board of Directors, with the consent of the Declarant, which consent shall not be unreasonably withheld, shall determine when the Gate System will be operational following its installation.

(b) Neither Declarant, the Association nor their respective officers, directors, members, representatives or agents shall be responsible for the security of Owners, Occupants or their family members, guests, invitees or property. **NEITHER DECLARANT, THE ASSOCIATION OR ANY OWNER OR OCCUPANT GUARANTEES OR ASSURES TO ANY OTHER OWNER OR OCCUPANT NOR ANY OTHER PARTY WHOMSOEVER THAT THE GATE SYSTEM WILL IN ANY MANNER WHATSOEVER PROVIDE PERSONAL PROTECTION OR SECURITY TO ANY OWNER OR OCCUPANT, THEIR PERSONAL POSSESSIONS OR TO GUESTS OR INVITEES, OR TO ANY OTHER PERSON, AND EACH OWNER, BY THE ACCEPTANCE OF A DEED TO A LOT, SHALL HAVE ASSUMED THE ENTIRE RISK AS BETWEEN SUCH OWNER AND DECLARANT OR APPROVED DEVELOPER OR THE ASSOCIATION, AS APPLICABLE, FOR ANY LOSS OR DAMAGE TO PERSON OR PROPERTY WITHIN THE COMMUNITY ARISING FROM ANY DEFICIENCY, FAILURE OR DEFECT IN THE GATE SYSTEM OR OTHERWISE.**

(c) All governmental authorities shall have access to the Community for law enforcement, safety and emergency purposes. Each Owner shall look solely to the applicable governmental authority for the provision of law enforcement and police protection.

(d) The Gate System is not intended to replace or to serve in lieu of individual alarm systems or other measures designed to provide security at a residence or within any Lot. Each Owner is encouraged to install personal security devices upon and within such Owner's Lot to the same extent that would be prudent if the Gate System did not exist.

(e) Any installation of the Gate System will be based upon the representations of vendors regarding the operation and performance capabilities of the components of the Gate System.

(f) DECLARANT DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY NATURE WHATSOEVER REGARDING THE GATE SYSTEM, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR THE PURPOSES FOR WHICH IT WAS

DESIGNED. Declarant does not guarantee that the Gate System will avert or prevent occurrences or consequences which the Gate System is designed to avert or prevent.

(g) The Gate System shall be owned, operated, and maintained by the Association at its sole cost and expense and the costs associated therewith shall be included in the general assessment as provided in Section 4.4 hereof. Declarant shall not be required to operate or maintain the Gate System.

(h) Each Owner shall use the Gate System in the proper manner and within the rules and regulations relating thereto as may be adopted from time to time by the Board of Directors.

(i) Each Owner and Occupant acknowledges and understands that nonpayment of assessments or a violation of any provisions of this Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines shall entitle the Association to deactivate any card access system, gate code or other equipment used in connection with the Gate System as authorized under Section 4.9 and Section 10.2(c) hereof.

5.9 Liability. Owners, Occupants and their guests shall use the common areas maintained by the Association and all other portions of the Community not contained within a Lot, including, without limitation the Amenity Area, Gate System and Private Streets, at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Property and all portions of the Community not contained within a Lot, including, without limitation the Amenity Area, Gate System and Private Streets, for any defects, perils or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Property; (b) loss or damage to personal belongings used or stored on the Common Property or on any other portion of the Community; or (c) loss or damage, by theft or otherwise, of any other property of such Owner or Occupant.

In addition to the foregoing, the Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be liable for injury or damage to any Person or property: (a) caused by the elements or by an Owner or any other Person; (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property; or (c) caused by any street, pipe, plumbing, drain, pond, lake, dam, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

5.10 Trash Removal and Recycling.

(a) General. The Association shall have the right, but not the obligation, to designate and contract with a private trash removal company on behalf of all Owners and Occupants in the

Community to pick up all usual and customary household trash and recycling on a regular basis. Notwithstanding the foregoing, prior to entering into a contract with a trash removal company, the Association shall provide each Owner with at least thirty (30) days written notice (or such longer period of time as may be reasonably necessary) of its intent to do so.

(b) Costs of Trash Removal. Upon the execution of a contract with a private trash removal company as provided above, all charges for usual and customary trash collection and recycling shall be assessed to each Lot equally as part of the general assessment in accordance with Section 4.4 hereof. While the removal of normal household trash and recycling will be covered by such contract, additional charges may be incurred for the removal of used appliances, other large items or any other extraordinary pick-up needs and such additional charges incurred by the Association may be specifically assessed against the applicable Lot pursuant to Section 4.6 hereof. If a Lot Owner, for any reason, refuses trash collection and recycling service provided by the Association, such Owner shall nevertheless still be obligated to pay the full amount of the general assessment.

(c) Rules and Regulations. Unless otherwise provided by the Board, trash and recycling receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick-up and shall be removed within twenty-four (24) hours. When not in use, all trash and recycling receptacles shall be stored in the garage. All Community trash removal and recycling shall be subject to such further rules and regulations as the Board may adopt, including without limitation, the designation of a particular trash pick-up day throughout all or a portion of the Community.

5.11 Party Walls – Townhome Lots. Each wall built as a part of the original construction of the residential dwelling located on a Townhome Lot which shall serve and separate any two (2) residential dwellings on adjacent Townhome Lots shall constitute a party wall and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal proportions. If a party wall is destroyed or damaged by fire or other casualty, then any Owner who has benefited by the wall may restore it, and the other Owner who is benefited by the wall shall contribute one-half of the cost of restoration, without prejudice, however, to the right of any Owner to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions. All repair or rebuilding shall be done within a reasonable time, and in such workmanlike manner with materials comparable to those used in the original wall, and shall conform in all respects to the laws or ordinances regulating the construction of buildings in force at the time of such repair or reconstruction. Whenever all or any portion of a wall is rebuilt, it shall be erected in the same location and on the same line and be of the same size as the original wall.

5.12 Measures or Maintenance Related to Insurance Coverage – Townhome Lots.

(a) The Board of Directors shall have the authority to require all or any Townhome Lot Owner(s) to do any act or perform any work involving portions of the Community that are the

maintenance responsibility of the Townhome Lot Owner which will, in the Board's sole discretion, decrease the possibility of fire or other damage to any improvements located in the Community, reduce the insurance premium paid by the Association for any insurance coverage, or otherwise assist the Board in procuring or maintaining such insurance coverage. This authority shall include, but need not be limited to, requiring all Owners to: (i) turn off cut-off valves, which may now or hereafter be installed, during winter months for outside water spigots; (ii) insulate pipes sufficiently or take other preventive measures to prevent water pipes from freezing; (iii) install smoke detectors; (iv) make improvements to the Owner's Townhome Lot; and (v) take such other measures as the Board may reasonably require; provided, however, any work requested by the Association shall not exceed the amount of the annual general assessment.

(b) In addition to, and not in limitation of, any other rights the Association may have, if any Townhome Lot Owner does not comply with any reasonable requirement made by the Board pursuant to subsection (a) above, the Association, upon fifteen (15) days' written notice (during which period the Townhome Lot Owner may perform the required act or work without further liability), may perform such required act or work at the Townhome Lot Owner's sole cost and expense. Such cost shall be a specific assessment and a lien against the Lot and shall be collected as provided herein for the collection of assessments. The Association shall have all rights necessary to implement the requirements mandated by the Board pursuant to subsection (a) above, including, but not limited to, a right of entry during reasonable hours and after reasonable notice to the Owner or Occupant of the Townhome Lot, except that access may be had at any time without notice in an emergency situation.

Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavating, grading, filling, construction of impervious surfaces, building, exterior alteration of existing improvements, installing storm and screen doors, pet doors, storm windows and fencing, changing the exterior color of any existing improvement and planting and removing landscaping materials), shall be commenced or placed upon any part of the Community unless: (a) installed by the Declarant or an affiliate of the Declarant; (b) approved in accordance with this Article; or (c) otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of a structure located on a Lot without approval hereunder. However, additions and/or modifications to the interior of balconies, porches, patios, decks and similar portions of a structure visible from outside of the dwelling located on a Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure located on a Lot in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

This Article shall not apply to the activities of the Declarant or its affiliates or to improvements to the Common Property made by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until: (a) Declarant's rights

under the Declaration have terminated as provided in Section 11.5 hereof; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.

6.2 Guidelines and Procedures. Except as provided above or as specifically articulated in the Architectural Guidelines established pursuant to Section 6.3 hereof, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed structure or improvement. The Declarant shall be the sole arbiter of such plans and specifications and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of such plans and specifications, applicable Architectural Guidelines or any other provisions of the Declaration. If the Declarant fails to approve or disapprove submitted plans and specifications within forty-five (45) days after receipt of such plans and specifications, such approval shall be deemed to have been given. If construction does not commence on a project for which plans have been approved within twelve (12) months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans and specifications to the Declarant for reconsideration.

As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for the maintenance, repair, replacement and insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant and its representatives and agents shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to determine whether or not these restrictive covenants have been or are being complied with and such Persons shall not be deemed guilty of trespass by reason of such entry; provided, however, nothing herein shall be construed as permitting the Association to enter any residential dwelling located on a Lot without the consent of the Owner thereof.

6.3 Architectural Guidelines. The Declarant may adopt written architectural, landscaping and fencing guidelines (collectively the "Architectural Guidelines") and application and review procedures, which may provide for a review fee. The Declarant shall have the sole and full authority to prepare, amend, modify, repeal or expand, in whole or in part, from time to time at its sole discretion and without notice, the Architectural Guidelines. In the event Declarant modifies, expands or repeals all or any portion of the Architectural Guidelines, the new Architectural Guidelines shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant. The Declarant shall make the Architectural Guidelines available to Owners and Occupants who seek to engage in construction upon all or any portion of the Community and such Owners and Occupants shall conduct their operations strictly in accordance therewith and

with the provisions of this Article 6. The Declarant shall provide, without cost, a copy of the Architectural Guidelines then in effect to any requesting Owner or Mortgagee.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design, quality of materials or for compliance with applicable building codes, permitting requirements, zoning conditions or other applicable governmental laws, ordinances and regulations governing construction in the Community and by approving such plans and specifications the Declarant, the Association and their respective directors, officers, members, representatives, agents or employees assume no liability or responsibility therefor or for any defect in any structure or improvement constructed from such plans and specifications or for any violation of applicable building codes, zoning conditions, permitting requirements or for any other violation of governmental laws, ordinances and regulations governing construction in the Community. Neither Declarant, the Association, nor their respective officers, directors, members, employees, representatives and agents shall be liable in damages to anyone submitting plans and specifications for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against the Declarant, the Association or their respective officers, directors, members, employees, representatives and agents to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatsoever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the Architectural Guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations. No variance issued shall: (a) be effective unless in writing; (b) be inconsistent with the overall scheme of development for the Community; or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement. Any structure, improvement or landscaping improvement placed or made in violation of this Article, including, without limitation, any construction, modification or alteration which is inconsistent with or does not conform to approved plans and specifications,

shall be deemed to be nonconforming. Upon written request from Declarant, an Owner shall, at such Owner's own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, reasonable attorneys' fees actually incurred, may be assessed against the Lot as a specific assessment. In such event, neither Declarant, the Association nor their respective officers, directors, members, employees, representatives and agents shall be held liable to any Person for exercising the rights granted by this Section, including, without limitation, claims for damages resulting from the removal of the nonconforming structure or improvement in accordance with the procedures set forth herein. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Architectural Guidelines, if any, may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained herein or in the Bylaws. In the event of noncompliance with this Article, the Association or Declarant, respectively, may also record in the appropriate land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, Declarant or the Association, acting through its Board, shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article, including, without limitation, the right to levy and collect fines against non-complying Owners and Occupants in accordance with the provisions of this Declaration and the Bylaws.

6.8 Architectural Review By Declarant. Until: (a) the Declarant no longer owns any property in the Community and no longer owns any additional property that can be annexed to the Community as provided herein; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. Notwithstanding the foregoing, the Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the Board of Directors while retaining control over all other building and construction in the Community; provided, however, any right, power or authority of the Declarant which may be relinquished to the Board of Directors prior to the termination of the rights of Declarant hereunder shall only be by a written instrument executed by Declarant and recorded in the Fulton County, Georgia land records and no such right, power or authority shall be relinquished by implication or otherwise. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Board of Directors while retaining all authority to review and approve new home construction. Upon the surrender in writing of all or a portion of such right and authority, the Board of Directors shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The establishment of an advisory architectural review committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder.

After the termination of or voluntary surrender of all or a portion of the rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve all building and construction activity within the Community and this Article, or

portions thereof, as applicable, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors. The Board of Directors may, but shall have no obligation to, establish an architectural review committee ("ARC"), which shall then have such rights, powers and authority as may be granted to it by the Board of Directors. The Board of Directors may grant to the ARC all of its rights, powers and authorities hereunder, or may grant the ARC such limited rights as it deems appropriate in its sole discretion. In the event that all or any portion of such rights, powers and authorities are granted to an ARC, this Article or portions thereof, as appropriate, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the ARC. Notwithstanding anything herein to the contrary, the Board of Directors shall have the sole right and authority to appoint and remove the members of the ARC.

Article 7 Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of the Declarant and without a vote of the members, promulgate, modify or delete reasonable rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the rules and regulations as they may be adopted, amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use, enjoyment and marketability of his or her Lot can be affected by the rules and regulations, that the rules and regulations may change from time to time, and that such changed rules and regulations may or may not be set forth in an instrument recorded in the Fulton County, Georgia land records.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy pursuant to Article 8 hereof shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant residing at the Lot may conduct business activities within the residential dwelling located thereon so long as the business activity: (a) does not otherwise violate the provisions of the Declaration, Bylaws or any rules and regulations of the Association; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; (h) does not threaten the security or safety of other residents of the Community; and (i) does not involve door-to-door solicitation within the

Community, all as may be determined in each case in the sole discretion of the Board of Directors.

The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) the activity is engaged in full or part-time; (b) the activity is intended to or does generate a profit; or (c) a license is required for the activity. Notwithstanding the foregoing, nothing in this Section 7.2 shall be construed as prohibiting the Declarant or its representatives or agents from maintaining model homes, speculative housing, sales trailers or construction trailers on Lots within the Community.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without prior written approval under Article 6 hereof or in compliance with applicable Architectural Guidelines; provided, however, the following signs may be erected on any Lot without approval: (a) one professionally lettered "For-Sale" or "For Rent" sign consistent with the Community-Wide Standard; (b) signs required by legal proceedings; and (c) security signs consistent with the Community-Wide Standard. The Board, on behalf of the Association, and the Declarant shall have the right to install reasonable and appropriate signs in the Community which may include, without limitation, signs relating to the development, construction, marketing and sales of residential dwellings located on Units in the Community. The Board of Directors shall have the right to adopt reasonable rules and regulations governing the display and placement of signs in the Community, including, without limitation, imposing reasonable time, place and manner restrictions. The Board or Declarant, as the case may be, may impose a reasonable fine, in an amount determined by the Board in its sole discretion, per day for the display of any sign which violates this provision and is not removed within twenty-four (24) hours after written demand is delivered to the Owner at that Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

7.4 Vehicles; Parking.

(a) General. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking spaces serving the Lot" shall refer to the number of garage parking spaces and if, and only if, the Owners and Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Owner or Occupant's primary means of transportation on a regular basis may be parked on the driveway serving such Lot; provided, however, parking on a driveway shall only be permitted if such driveway is large enough to fit the vehicle(s) without the encroachment of such vehicle(s) onto the Private Streets, sidewalks or grassy areas in the

Community. All parking shall be further subject to such reasonable rules and regulations as the Board may adopt from time to time.

(b) Garages. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for other purposes; provided, however, use of a garage for storage shall be permitted provided such storage does not prevent an Owner or Occupant from parking such Owner's or Occupant's vehicles in the garage. Garages shall not be converted to additional living space unless the same has been approved in accordance with Article 6 hereof.

(c) Guest Parking Spaces. Portions of the Common Property may contain striped and lined parking spaces for use by the guests of Owners and Occupants, as may be shown on the recorded subdivision plat(s) for the Community ("Guest Parking Spaces"). Guest Parking Spaces, if any, shall be on a first-come, first served basis and are reserved for the exclusive use of the guests of Owners and Occupants. For purposes of this Section 7.4(c), a guest is defined as an individual who resides in the Lot for less than ten (10) consecutive days. A guest may park his or her vehicle in a Guest Parking Space for up to ten (10) consecutive days; provided, however, the temporary removal of a vehicle from a Guest Parking Space or the relocation of a vehicle from one Guest Parking Space to another Guest Parking Space shall not be sufficient to establish compliance with this restriction. Any guest residing at a Lot for more than ten (10) consecutive days shall be deemed to be an Occupant and must park his or her vehicle in either the garage or driveway serving the Lot. Owners and Occupants are prohibited from parking vehicles in the Guest Parking Spaces. Any guest, Owner or Occupant who fails to comply with the provisions set forth in this subsection (c) shall be subject to the remedies of the Association as set forth in subsection (e) above and any other remedies available to the Association under this Declaration or Georgia law. The Board of Directors shall have the right to promulgate additional rules and regulations regarding guest parking in the Community.

(d) Disabled and Stored Vehicles. No vehicle may be left upon any portion of the Community, except in an enclosed garage or other area designated by the Board, if any, for a period of more than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of Fulton County. No towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial vehicle, camper, bus or mobile home shall be regularly stored in the Community or temporarily kept in the Community, except if kept in an enclosed garage or other area designated by the Board, if any, for periods longer than twenty-four (24) hours (the temporary removal of such vehicle from the Community shall not be sufficient to establish compliance with the twenty-four (24) consecutive hour provision provided for herein). Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored in the garage upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except as may be

reasonably necessary to provide service to or delivery within the Community or as otherwise permitted by the Board of Directors.

(e) Commercial Vehicles. The term "commercial vehicles" as used in this paragraph, shall include, without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, ladders, ladder racks, vehicles displaying signage of a commercial or business nature or vehicles which are not primarily used for the transportation of passengers, all as determined by the Board in its sole discretion. Commercial vehicles shall not be permitted in the Community, except if kept in an enclosed garage; provided however, construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service to or make a delivery within the Community.

(f) Remedies of the Association for Noncompliance. If any vehicle is parked on any portion of the Common Property, including, without limitation, the Private Streets, in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may cause the vehicle to be towed or booted, subject to compliance with applicable law, including any notice required thereby. The notice may be a general notice by signage or may be placed on the vehicle, if and as allowed under applicable law, as the case may be. If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area or otherwise creates a hazardous condition, the Board or agent of the Association may have the vehicle towed immediately, subject to compliance with applicable law. If a vehicle is towed or booted in accordance with this subparagraph and applicable law, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage resulting from the towing or booting activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

(g) Traffic Regulations. All vehicular traffic on the Private Streets in the Community shall be subject to the provisions of state and local laws concerning the operation of motor vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including, without limitation, imposing reasonable safety measures and speed limits. The Association shall be entitled to enforce the same by establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof. In the event of a conflict between the provisions of state and local laws and any rules and regulations promulgated by the Association, the rules and regulations of the Association shall govern. Only drivers properly licensed to operate motor vehicles on the public roads within the State of Georgia may operate any type of motor vehicle within the Community. All vehicles of any kind and nature which are operated on the streets in the Community shall be operated in a careful, prudent, safe, and quiet manner and with due consideration for the rights of all Owners and Occupants.

(g) Declarant Exemption. Notwithstanding the foregoing, the Declarant and its respective agents, contractors, subcontractors and assigns shall have the right, during regular

business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development and build out of the Community.

7.5 Animals and Pets.

(a) General. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in a reasonable number as determined by the Board from time to time. No pets shall be kept, bred or maintained for any commercial purpose. No dog runs, runners or exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof. Dogs shall at all times when outside of a dwelling located on a Lot be kept on a leash or otherwise under the physical control of a responsible person. All Owners must control their pets at all times, whether or not such Owner is present, in a manner that will prevent any animal from: (a) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently; (b) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees; or (c) otherwise constituting a nuisance or inconvenience to the Owner(s) or Occupant(s) of any other Lot; all of the foregoing as determined by the Association in its sole discretion.

All animals shall be registered, licensed and inoculated if and as required by law. Animal waste deposited in the Community must be removed by the owner of the animal or the person responsible for the animal. The Association may adopt reasonable rules and regulations designed to minimize damage and disturbance to other Owners and Occupants, including regulations requiring damage deposits, waste removal, leash controls and noise controls. The Association may require that an Owner remove any animal that presents an actual threat to the health or safety of residents and require abatement of any nuisance or unreasonable source of annoyance. In the event that an Owner fails to remove an animal as provided herein, the Association shall have the right to institute legal action to have the animal removed and all costs associated therewith shall be a specific assessment against the Lot of such Owner.

(b) Dog Park. As of the date this Declaration is recorded in the Fulton County, Georgia land records, the Community does not contain a dog park. However, Declarant may, but shall have no obligation to, construct a dog park on a portion of the Common Property. Declarant makes no representations or warranties that a dog park will be constructed and the foregoing shall not be construed as imposing any obligation on the Declarant to construct the same. If and to the extent a dog park is constructed in the Community, the provisions set forth below shall apply.

No animals other than dogs shall be permitted in the dog park. The gates providing access to and from the dog park shall be closed and latched after entering or exiting the dog park. Owners shall closely supervise their dogs and have a leash in hand at all times. Dogs that attack or otherwise present a danger or interfere with the freedom or movement of Persons and/or other dogs shall constitute a nuisance and shall be removed from the dog park immediately. The Association shall have the right to prohibit from the dog park any dog it determines, in its sole

discretion, constitutes a nuisance to other Persons and/or dogs. Owners are responsible for promptly removing the waste deposited by their dog in the dog park. Use of the dog park shall be subject to applicable City of Atlanta and/or Fulton County code provisions and such reasonable rules and regulations as may be adopted or promulgated by the Board from time to time, which may include, but shall not be limited to, rules and regulations regarding: (i) the number of dogs permitted in the dog park at one time; (ii) the hours in which the dog park may be used and/or accessed; and (iii) the activities permitted in the dog park.

7.6 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board. Notwithstanding anything to the contrary herein, each Owner and Occupant acknowledges that the Declarant and its representatives, agents, contractors and subcontractors may engage in construction activities on one or more Lots in the Community and each Owner and Occupant further agrees that such construction activities shall not be deemed a nuisance as provided herein.

The Association and Owners shall also comply with all zoning conditions and local ordinances applicable to tree removal. (a) Detached Lots. No fence or fencing type barrier of any kind, including, without limitation, an invisible fence, shall be placed, erected, allowed or maintained upon any Detached Lot unless approved in accordance with the provisions of Article 6 hereof; provided, however, no fence may be installed that obstructs, alters or impedes the flow of storm water drainage in the Community. Any fence erected or installed on a Detached Lot by the Declarant or an Owner pursuant to Article 6 hereof or in accordance with applicable Architectural Guidelines shall contain at least one gate which provides access to the area enclosed by such fence in order to allow access by the Association and its agents to maintain such area as provided in Section 5.3 hereof.

The side of all window treatments which can be seen at any time from the outside of any structure located on a Lot shall be white, off-white or such other color(s) as may be permitted in the Architectural Guidelines or approved in accordance with Article 6 hereof. Bed sheets, blankets, towels, black plastic, paper and similar type items shall not be used as window treatments.

7.25 Garage Sales. If permitted, such activities shall be subject to all reasonable conditions that the Board may impose.

7.26 Outbuildings and Similar Structures. No structure of a temporary nature shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure may be used as a residence, either temporarily or permanently, without written approval in accordance with Article 6 hereof or in compliance with applicable Architectural Guidelines. However, this Section shall not be construed to prevent the Declarant and its representatives and agents and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Section shall be construed to prevent the Declarant and its affiliates, representatives and agents from developing, constructing, marketing, or maintaining model homes, speculative housing, sales offices or construction trailers within the Community.

7.27 Decks, Patios and Porches.

(a) General. No laundry, garments, towels or objects other than potted plants, grills and patio furniture, shall be placed on a deck, patio, porch or balcony, except as may be authorized by the Board of Directors or permitted under the Architectural Guidelines. Objects shall not be permitted to hang over or be attached to any deck, patio, porch or balcony or to otherwise protrude outside of the vertical plane formed by the exterior surface of any deck, patio, porch or balcony located on or appurtenant to a Lot. No deck, patio or porch shall be enclosed without prior written approval in accordance with the provisions of Article 6 of the Declaration.

(b) Use of Grills. Grills shall be covered with grill covers when not in use. Grill and outdoor furniture covers shall be removable and of a type and color consistent with the Community-Wide Standard.

7.28 Abandoned Personal Property. Personal property, other than vehicles as provided for in Section 7.4 hereof, is prohibited from being stored, kept, or allowed to remain unattended upon any portion of the Common Property, without prior written Board permission. If the Board determines that a violation exists, then, not less than twenty-four (24) hours after written notice is placed on the personal property and/or on the front door of the property owner's Lot, if known, the Board may remove the personal property and it shall have no obligation to return or replace such property or reimburse the owner of the property. The notice shall include the name and telephone number of the Person which will remove the property and the name and telephone number of an individual to contact regarding the alleged violation. In the event that the Board removes personal property as provided herein, the Owner shall be responsible for all costs associated therewith, including, without limitation, reasonable attorneys' fees actually incurred and such costs shall be a specific assessment against the Lot.

The Board, in its discretion, may determine that an emergency situation exists and may exercise its removal rights hereunder without prior notice to the property owner; provided, however, in such case, the Board shall give the property owner, if known, notice of the removal of the property and the location of the property within three (3) days after the property is removed.

The Association and any director, officer, employee or agent thereof shall not be liable to any Person for any claim of damage resulting from the removal of any personal property in accordance with the procedures set forth herein. The Board may elect to impose fines or use other available remedies, rather than exercise its authority to remove property hereunder.

7.29 Heating of Townhome Lots in Colder Months. In order to prevent water pipes from breaking during colder months of the year resulting in damage to residential dwellings located on Townhome Lots, increased Townhome Lot assessments, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within all residential dwellings located on Townhome Lots shall be maintained with the heat operating and at a minimum of fifty degrees (50°) Fahrenheit when the temperature is forecasted to or does reach thirty two degrees (32°) Fahrenheit or below. Owners shall take all steps possible on a timely basis to keep the heating equipment, including, but not limited to, the thermostat, in good working order and repair. If the heating equipment is not working, the Owner shall immediately inform the Association and Owners of the other adjacent Townhome Lots of such equipment failure and of the time needed in order to repair the equipment. Owners shall take reasonable steps to keep the residential dwelling located on the Townhome Lot heated sufficiently to prevent water pipes from breaking.

7.30 Buffer and Imperious Setback Areas. Portions of the Community may contain one or more buffer areas and impervious setback areas, as may be more particularly identified on the recorded subdivision plat(s) for the Community. No land disturbing or construction activities shall be permitted within said buffer areas unless approved pursuant to Article 6 hereof and in

compliance with any applicable local or governmental laws, ordinances and regulations, including, without limitation, the Control of Erosion and Sedimentation Act, O.C.G.A. Section 12-7-1, *et seq.*, as amended from time to time.

7.31 Outdoor Community Fireplace. A portion of the Common Property is expected to contain an outdoor fireplace for use by the Owners and their Occupants, guests, invitees and tenants. Each Owner, Occupant, guests, licensee, and invitee assumes all risks of personal injury and property damage associated with the use of the outdoor fireplace and further acknowledges that Declarant, the Association and its Board of Directors have made no representations or warranties, nor has any Owner, Occupant, guest, licensee or invitee relied upon any representations or warranties, express or implied, relative to the use of the outdoor fireplace. The Board of Directors shall have the right to adopt reasonable rules and regulations regarding the use of the outdoor fireplace, including, without limitation the right to provide for the exclusive use and enjoyment of the outdoor fireplace at certain designated times by authorized users and their guests and invitees.

7.32 Storm Water Detention/Retention Ponds and Conservation Areas.

(a) Storm Water Detention Ponds. Except as herein provided, any storm water retention/detention pond within the Community shall be used for aesthetic amenities and storm water drainage only, no other use thereof, including, without limitation, boating, swimming, ice skating, playing, or use of personal flotation devices, and other recreation, shall be permitted without the prior written consent of the Board of Directors. The Association, the Declarant and their representatives, agents, employees, officers or directors shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any storm water detention/retention pond within the Community. No Owner shall have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any body of water in the Community. Applicable governmental agencies, the Declarant and the Association, shall have the sole right to control the water level of all bodies of water located within the Community and to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around any storm water retention pond within the Community. Owners shall not be permitted to withdraw water from any storm water detention/retention pond without the prior written consent of the Board of Directors.

(b) Conservation Areas. Declarant, the Association and all Owners and Occupants in the Community shall be bound by and comply with any requirements promulgated by a local or governmental agency with respect to any conservation areas, natural areas or similar open space areas designated for permanent protection during the development of the Community. The Association shall have the right to adopt rules and regulations regarding the use of the same so long as such uses are consistent with any rules, ordinances and regulations promulgated by the applicable governmental agency.

7.33 Pedestrian Paths and Walking Trails. As of the date this Declaration is recorded in the Fulton County, Georgia land records, the Community does not contain pedestrian paths or walking trails. However, Declarant may, but shall have no obligation, to construct pedestrian

paths or walking trails on a portion of the Common Property. Declarant makes no representations or warranties that pedestrian paths or walking trails will be constructed and the foregoing shall not be construed as imposing any obligation on the Declarant to construct the same. If and to the extent pedestrian paths or walking trails are constructed, the provisions set forth below shall apply.

Except as herein provided, any pedestrian path or walking trail within the Community shall be used as foot paths only. Bicycles, roller blades, skate boards, go-carts, minibikes, scooters or motorcycles, with or without electric motors, or similar wheeled means of transportation or recreation shall not be permitted on any paths or trails in the Community provided, however, this provision shall not prohibit any person with a disability from using a wheelchair or other necessary transportation device on the paths and trails in the Community. The Board of Directors may adopt such rules and regulations as may be deemed appropriate concerning the use of any pedestrian paths and walking trails in the Community. This provision shall not apply to concrete sidewalks located along the public streets within the Community.

Article 8 Leasing of Lots

8.1 General. Lots may be leased only in their entirety; rooms, basements or fractions or portions of a Lot may not be leased without the prior written approval of the Board of Directors. All leases shall be in writing. There shall be no subleasing of Lots or assignment of leases unless approved in writing by the Board of Directors. The Board may require a minimum lease term. The Owner must provide the lessee with copies of the Declaration, Bylaws, and the rules and regulations and Architectural Guidelines and the lease shall provide that the Owner has made available to the lessee copies of the Declaration, Bylaws, and the Association's rules and regulations and Architectural Guidelines.

8.2 Notice. Within ten (10) days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board of Directors with the following information: (a) a copy of the fully executed lease agreement; (b) the name of the lessee and all other people occupying the Lot; (c) the phone number of the lessee; (d) the Owner's address and telephone number other than at the Lot; and (e) other such information as the Board may reasonably require.

8.3 Compliance and Liability for Assessments. If a Lot is leased or occupied in violation of this Article, then the Board of Directors shall be authorized, in addition to all other available remedies, to terminate the lease and occupancy, and to suspend all voting rights and the right to use and enjoy the Common Property of the Owner and any unauthorized tenants(s) or Occupant(s). Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(a) Compliance with Declaration, Bylaws and Rules and Regulations and Architectural Guidelines. Lessee shall abide by and comply with all provisions of the Declaration, Bylaws, and rules and regulations and Architectural Guidelines adopted pursuant thereto. Lessee shall control the conduct of all other Occupants and guests of the leased Lot in order to ensure such compliance. The Owner agrees to cause all Occupants of his or her Lot to comply with the Declaration, Bylaws, and the rules and regulations and Architectural Guidelines adopted pursuant thereto and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws and rules and regulations and Architectural Guidelines adopted pursuant thereto.

In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation or Architectural Guideline for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in accordance with the provisions contained herein. If the fine is not paid by the lessee within the time period set by the Board of Directors, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Lot.

Any violation of the Declaration, Bylaws or rules and regulations and Architectural Guidelines adopted pursuant thereto by the lessee, any Occupant, or any guest of the lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law.

(b) Liability for Assessments; Assignment of Rent. If an Owner who is leasing his or her Lot fails to pay any general, special or specific assessment or any other charge owed to the Association for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid general, special and specific assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board of Director's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board of Director's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

8.4 Right to Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Property, including, without limitation, the Amenity Area.

Article 9
Insurance and Casualty Losses

9.1 Insurance on Common Property. The Board of Directors shall have the authority to and shall obtain casualty insurance for all insurable improvements located on the Common Property or required to be maintained by the Association under Section 5.1 hereof and blanket insurance for all Townhome Lots as provided in Section 9.5 hereof, which costs shall be a Townhome Lot assessment as provided herein; provided, however, the Association's insurance shall not include an Owner's or Occupant's personal property (which shall be the sole responsibility of the Owner or Occupant, as applicable) or any portion of a Detached Lot. Insurance obtained and maintained by the Association shall provide, at a minimum, fire and extended coverage, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from such hazard.

The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million and No/100 Dollars (\$1,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors.

In addition to the other insurance coverage required by this Section, the Board of Directors shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law, and, if available at reasonable cost, as determined in the sole discretion of the Board, a fidelity bond or employee dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the director's best business judgment and shall satisfy local, state or federal requirements for such coverage, if any. Such coverage, if obtained, shall also contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least ten (10) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the applicable requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

9.2 Insurance Obtained by Lot Owners.

(a) Townhome Lot Owners. Townhome Lot Owners shall be responsible for obtaining the insurance set forth in Section 9.5(b) hereof.

(b) Detached Lot Owners. By virtue of taking title to a Detached Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of a Detached Lot and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the

following: (i) all-risk casualty insurance on the Detached Lot and all structures constructed thereon, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any hazard; (ii) a liability policy covering damage or injury occurring on a Detached Lot in an amount as may be determined by the Board of Directors from time to time; and (iii) insurance covering an Owner's or Occupant's personal property. The policies required hereunder shall be in effect at all times.

9.3 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any structure or improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information is made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot subject to assessment. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess funds shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

9.4 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any structure or improvement located on a Lot shall be repaired or reconstructed by the Owner thereof in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 6 of this Declaration. Said repair or reconstruction shall be completed within seventy-five (75) days after such damage or destruction occurred or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed

within a reasonable period of time thereafter. Alternatively, the Owner of the Lot may elect to demolish all improvements on the Lot and remove all debris and ruins therefrom within seventy-five (75) days after such damage or destruction occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

9.5 Insurance on Townhome Lots.

(a) General. The Association shall obtain blanket casualty insurance for all Townhome Lots. The Association's insurance policy shall cover loss or damage by fire or other hazards to Townhome Lots, including extended coverage, vandalism and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction of the Townhome Lots in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all risk" coverage for the Townhome Lots in like amounts. The costs of insuring the Townhome Lots shall be assessed as a Townhome Lot assessment on all Townhome Lots.

(b) Insurance Requirements for Townhome Lot Owners. By virtue of taking title to a Townhome Lot, each Owner acknowledges that the Association has no obligation to provide any insurance for any improvements to the Townhome Lot made by Declarant or a builder during the initial construction of the Townhome Lot, or made by the Owner thereafter, or to provide any insurance for any personal property of the Owner or Occupants, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall be responsible for obtaining and maintaining the following: (i) a liability policy covering damage or injury occurring on a Townhome Lot; (ii) insurance covering an Owner's or Occupant's personal property; and (iii) insurance covering the Townhome Lot to the extent not insured by policies maintained by the Association, including, without limitation, any betterments and improvements made to the residential dwelling located on a Townhome Lot which are installed by the Declarant or a builder during the initial construction process at the request of a purchaser who has entered into a contract with Declarant or a builder to purchase such Townhome Lot or made by an Owner at any time thereafter.

(c) Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who would be responsible for such loss in the absence of insurance. If the loss affects more than one Townhome Lot or a Townhome Lot and the Common Property, the cost of the deductible may be apportioned and assessed equitably by the Board among the parties suffering loss in accordance with the total costs of repair, unless the insurance policy provided that the deductible will apply to each Townhome Lot separately. If any Townhome Lot Owner fails to pay the deductible when required hereunder, the Association shall assess the cost to any the Owner of such Townhome Lot as a specific assessment.

Article 10
Easements

10.1 General. Each Lot shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat(s) for the Community, as amended from time to time, as well as the easements now or hereafter established by Declarant in this Declaration or by any other document recorded in the Office of the Clerk of Superior Court of Fulton County, Georgia.

10.2 Easements for Use and Enjoyment. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Lot in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following:

Rights exercised pursuant to this easement shall be exercised with a minimum of interference to the quiet enjoyment of affected Lots, reasonable steps shall be taken to protect such Lots and the property of the Owners and Occupants thereof, and damage shall be repaired by the Person causing the damage at its sole cost and expense. 10.6 Easement for Maintenance – Association. Declarant hereby establishes for the benefit of the Association a perpetual easement across the exterior portions of all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of Lots, reasonable steps shall be taken to protect such property and damage shall be repaired by the Association or its contractor(s) at their sole cost and expense. Except in an emergency situation, entry to the residential dwelling located on a Lot shall only be during reasonable hours and after notice to the Owner.

10.7 Easement for Maintenance – Lot Owners. Declarant hereby establishes for the benefit of each Lot reciprocal appurtenant easements between adjacent Lots and an easement over adjacent Common Property for the purpose of maintaining or repairing the improvements located on each Lot. The easement shall be used only for such period of time as is reasonably necessary in order to complete the maintenance or repair. Any Owner of a Lot to which access is

needed under this Section shall not unreasonably withhold, impede, condition or delay such access. The Owner exercising this easement right shall be liable for the prompt repair of any damage to the Lot over which this easement is exercised which arises out of such maintenance or repair work.

10.8 Easement for Encroachment and Overhang. Declarant hereby establishes for the benefit of each Lot a reciprocal appurtenant easement for encroachment and overhang between adjacent Lots and between a Lot and adjacent Common Property due to the original construction or the unintentional placement or settling or shifting of the improvements including, but not limited to, retaining walls, downspouts and gutters, constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than three (3) feet, as measured from any point on such common boundary; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association, other than in the original construction of the Lots.

10.9 Easement for Entry Features and Streetscapes. Declarant hereby reserves for itself and establishes for the benefit of the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of entry features and similar streetscapes for the Community, over and upon any portion of a Lot containing such entry features or streetscapes as may be more fully described on the recorded subdivision plat(s) for the Community. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, Declarant hereby reserves for itself and establishes for the benefit of the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community; provided, however, such easement area shall not include any portion of a Lot within the outer perimeter of the dwelling structure. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface within or adjacent to the Community. Neither the Declarant, the Association nor their respective officers, directors, representative or agents or any builder or Owner constructing according to plans and specifications approved under Article 6 hereof shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction within the Community.

Declarant hereby grants, conveys, declares, creates, imposes and establishes a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress and egress over and across the private streets and sidewalks located within the Community. At such time as one or more subdivision plats for the property submitted to this Declaration are recorded in the real estate records of the Office of the Clerk of Superior Court of Fulton County, Georgia, any reference to private streets shall then and thereafter mean a reference to the private streets as actually constructed and depicted on the recorded subdivision plat. The right-of-way easement herein granted shall permit joint usage of such easement by: (a) the Owners and Occupants; (b) the legal representatives, successors and assigns of the Owners; and (c) invitees and licensees of the Owners and Occupants. Declarant hereby expressly reserves for itself, its successors and assigns, all rights and privileges incident to the ownership of the fee simple estate of any right-of-way easement area which are not inconsistent with the rights and privileges herein granted, including, without

limitation, the right to maintain one or more proprietary signs on the easement area and the right to grant additional non-exclusive easements to third parties, over, under and across the easement area. Declarant hereby reserves for itself and grants to the Association as Common Property, the perpetual nonexclusive right and easement upon, over and across those utility easement areas and private streets, roads and sidewalks for the installation, maintenance, and use of such streets and roads, sidewalks, traffic directional signs, street lights, grading for proper drainage of said streets and roads, and related activities and improvements.

11.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations, use restrictions and Architectural Guidelines, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plat(s) for the Community and in the deed to such Owner's Lot, if any. Declarant or the Association, acting through the Board of Directors, may impose fines or other sanctions for violations of the foregoing in accordance with this Declaration and the Bylaws, which fines shall be collected as provided herein for the collection of assessments; provided, however, only one fine may be imposed for a single violation such that an Owner or Occupant may not be fined by Declarant and the Association for the same violation; and provided, further, Declarant or the Association, as the case may be, may count each day a violation continues after notice thereof as a separate violation. In the event fines or other sanctions are imposed by Declarant, Declarant shall have any and all rights to collect such fines or sanctions (which fines shall be payable to the Association) and any related charges, including, without limitation, attorneys' fees actually incurred and costs of collection, in the same manner as provided herein for the collection of assessments by the Association acting through the Board.

The failure to comply with this Declaration, the Bylaws, use restrictions, the rules and regulations and the Architectural Guidelines shall be grounds for an action to recover sums due for damages, injunctive relief or both, and shall include, without limitation, reasonable attorneys' fees actually incurred, maintainable by the Association, Declarant or an aggrieved Owner. The failure by the Declarant, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. Declarant or the Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

11.2 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural

Guidelines. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner.

In addition to any other remedies provided for herein, the Association, acting through the Board, Declarant or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, improvement, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, the use restrictions or the Architectural Guidelines. Unless an emergency situation exists, the violating Owner shall be given ten (10) days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required herein or by law. All costs of self-help, including, without limitation, reasonable attorneys' fees actually incurred, shall be assessed against the Lot of the violating Owner as a specific assessment.

11.4 Duration. The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, such provision(s) shall be automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to terminate such provisions, in which case this Declaration shall be terminated to the extent specified therein.

11.5 Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community and no longer owns any additional property which may be annexed to the Community as provided herein, and a certificate of occupancy has been issued for the residential dwelling located on each Lot in the Community; or (b) the date of recording by Declarant in the Fulton County, Georgia land records of a written instrument terminating all of Declarant's rights hereunder.

(c) By the Association. In addition to the above, this Declaration may be amended upon the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Lots and Declarant.

Notwithstanding the foregoing, any provisions of this Declaration which are applicable exclusively to the Townhome Lots may be amended by the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Townhome Lots and Declarant. Further, notwithstanding the foregoing, any provisions of this Declaration which are applicable exclusively to the Detached Lots may be amended by the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Detached Lots and Declarant. 11.10 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant by reason of the fact that Declarant may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

11.19 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote and the consent of the Declarant. This Section shall not apply to: (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving challenges to *ad valorem* taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. 11.20 Disclosures. Every Owner, by acceptance of a deed to a Lot, acknowledges that it will be subject to and bound by the terms and conditions of this Declaration, Bylaws, Architectural Guidelines and any rules and regulations adopted pursuant thereto.

Each Owner and Occupant also acknowledges the following:

(a) that the Community is located adjacent to thoroughfares and may be affected by traffic and noise from time to time, and such thoroughfares may be improved or widened in the future;

(b) that Declarant shall not be responsible for responding to or taking any affirmative action on behalf of the Association or an individual member of the Association to mitigate, alleviate, remedy or cure any off-site conditions that may directly impact the Community or any portion thereof, and such inaction by Declarant shall not constitute a breach of fiduciary duty by the directors and officers of the Association that are appointed by Declarant, pursuant to the Bylaws of the Association.

(c) that the views from an Owner's Lot may change over time due to among other things, additional development and the removal or addition of landscaping;

(d) that no representations are made regarding the zoning of adjacent property or that the category to which adjacent property is zoned may not change in the future;

(e) that no representations are made regarding the schools that currently, or which may in the future, serve the Community;

(f) that because in every development there are conditions that different purchasers may find objectionable, including but not limited to traffic congestion and related noise, each Owner acknowledges that there may be conditions outside of the property that such Owner finds objectionable and that it shall be the sole responsibility of such Owner to become acquainted with neighborhood conditions that could affect the Lot; and

(g) that Declarant will be constructing portions of the Community and may engage in other construction activities which may, from time to time, produce certain conditions within or in the vicinity of the Community, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic, or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of Persons in the Community. Notwithstanding the foregoing, each Owner agrees that such conditions in the Community resulting from construction activities shall not be deemed a nuisance or discomfort to Owner and shall not cause Declarant and its representatives or agents to be deemed in violation of any provision of this Declaration.

OF
WESTSIDE BEND AT PROCTOR CREEK COMMUNITY ASSOCIATION, INC.

Article 1
Name, Membership, Applicability and Definitions

1.1 Name. The name of the corporation shall be Westside Bend at Proctor Creek Community Association, Inc. (hereinafter sometimes referred to as the "Association").

1.2 Membership. The Association shall have one class of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions, Restrictions and Easements for Westside Bend at Proctor Creek (such Declaration, as amended, supplemented, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3 Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit or the meanings given in the Georgia Nonprofit Corporation Code, O.C.G.A. Section 14-3-101, *et seq.* (the "Nonprofit Code"). Statutory references shall be construed as meaning the referenced statute or portion thereof as the same may exist from time to time.

Article 2
Association: Meetings, Quorum, Voting, Proxies

2.1 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical. Meetings may be held by means of telephone conference, video conference or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation by one of these methods shall constitute presence in person at such meeting.

2.2 Annual Meetings. There shall be an annual meeting of the members at such date, place and time as the Board of Directors shall determine to receive the reports of the outgoing Board of Directors, to install directors for the ensuing year and to transact such other business as may come before the meeting.

2.3 Special Meetings. The President or the Board of Directors may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association upon the delivery of a petition signed and dated by members entitled to cast at least fifty percent (50%) of the Total Association Vote and describing the purpose or purposes for which it is to be held. The notice of any special meeting shall state the date, time, and place of

such meeting and the purpose(s) thereof. No business shall be transacted at a special meeting, except those matters that are within the purpose or purposes described in the notice.

2.4 Record Date. The Board of Directors shall fix in advance a record date for a determination of members entitled to notice of and to vote at any meeting of members or any adjournment thereof, or to make a determination of members for any other purpose, such date to be not more than seventy (70) days before the date on which the particular action requiring such determination of members is to be taken.

2.5 Notice of Meetings. It shall be the duty of the Secretary or such other agent as the Association may designate to mail or to cause to be delivered to each member (as shown in the records of the Association as of the record date) a written notice of each annual or special meeting of the Association stating the date, time and place where it is to be held and, if and to the extent required by the Nonprofit Code or other applicable law (the "Governing Law"), the purpose(s) thereof. Such notice shall be delivered personally or sent by United States mail, postage prepaid, statutory overnight delivery, or sent by electronic transmission in accordance with the Nonprofit Code to all members of record at the address shown in the Association's current records. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. Notices shall be mailed or delivered not less than ten (10) days (or if notice is mailed by other than first-class or registered mail, thirty (30) days) nor more than sixty (60) days in advance of any annual, regularly scheduled or special meeting. If any meeting of the members is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. If, however, a new record date is or must be fixed under the Governing Law, notice of the adjourned meeting shall be given to persons who are members of record as of the new record date.

2.6 Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing or by electronic transmission signed by the member entitled to notice and delivered to the Association for inclusion in the minutes for filing with the Association's records, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of lack of notice or defective notice, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.8 Membership List. After the record date for any meeting is established by the Board of Directors, the Secretary shall prepare an alphabetical list of the names and addresses of all of the members who are entitled to notice of the meeting. Beginning at least two (2) business days

after notice is given of the meeting for which the list was prepared, the list of members shall be available for inspection by any member or a member's agent or attorney: (1) on a reasonably accessible electronic network, provided that the information required to gain access to such list is included with the notice of the meeting or upon request; or (2) during ordinary business hours at the Association's principal office or at such other reasonable place as may be specified in the notice in the city where the meeting will be held. In the event that the Association makes the list available on an electronic network, the Association may take reasonable steps to ensure that such information is available only to members of the Association. In addition, the list shall be available for inspection at the meeting or any adjournment thereof.

2.9 Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.10 Proxies. At all meetings of members, each member may vote in person or by proxy. All proxy appointment forms shall be in writing, signed either personally or by an electronic transmission, dated, and filed with the Secretary before the appointed time of each meeting. Proxies may be delivered to the Board of Directors by personal delivery, U.S. mail or electronic transmission to the Secretary or other officer or agent authorized to tabulate votes. An electronic transmission must contain or be accompanied by information acceptable to the Board from which it can be determined that the member, the member's agent, or the member's attorney-in-fact authorized the electronic transmission. Every proxy shall be revocable and shall automatically cease upon: (a) receipt of notice by the Secretary of the death or judicially declared incompetence of a member; (b) receipt by the Secretary or other officer or agent authorized to tabulate votes of written revocation signed by the member; (c) receipt by the Secretary or other officer or agent authorized to tabulate votes of a subsequent appointment form signed by the member; (d) attendance by the member and voting in person at any meeting; or (e) the expiration of eleven (11) months from the date of the proxy appointment form.

2.11 Quorum. The presence, in person or by proxy, of members entitled to cast at least twenty-five percent (25%) of the Total Association Vote entitled to be cast at the meeting shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.12 Action by Written Consent. Any action required or permitted to be approved by the members may be approved without a meeting if one (1) or more consents, in writing or by electronic transmission, setting forth the action so taken, shall be signed, either personally or by an electronic transmission, and dated by members (including the Declarant, if the consent of the Declarant is required) holding the voting power required to pass such action at a meeting held on the record date for such action. The record date for such action shall be the date that the first member signs a consent. Such action shall be approved when the Secretary receives a sufficient number of such consents dated within seventy (70) days of the record date for such action. If less than unanimous consent is obtained, the approval shall be effective ten (10) days after the Secretary gives written notice of the approval to all members who did not sign a consent. Each consent in writing or by electronic transmission shall be included in the minutes of meetings of members filed in the permanent records of the Association. No consent in writing or by

electronic transmission shall be valid unless: (1) the consenting member has been furnished the same material that, pursuant to the Nonprofit Code, would have been required to be sent to members in a notice of a meeting at which the proposed action would have been submitted to the members for action; or (2) the written consent contains an express waiver of the right to receive the material otherwise required to be furnished.

2.13 Action By Written Ballot. Any action that may be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by ballot in writing or by electronic transmission as provided herein. The Association shall deliver a ballot in writing or by electronic transmission to each member entitled to vote on the matter. The ballot in writing or by electronic transmission shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by ballot in writing or electronic transmission shall: (a) indicate the number of responses needed to meet the quorum requirements; (b) state the percentage of approvals necessary to approve each matter other than election of directors; and (c) specify the time by which a ballot must be received by the Association in order to be counted. A timely ballot in writing or by electronic transmission received by the Association may not be revoked. Approval by ballot in writing or by electronic transmission of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The results of each action by ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Article 3

Board of Directors: Number, Powers, Meetings

3.1 Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. Directors shall be natural persons who are eighteen (18) years of age or older. Except for directors appointed by the Declarant, each director must reside in the Community and be a member or the spouse of a member; provided, however, no Person may serve on the Board at the same time with such Person's spouse or any co-Owner or Occupant of such Person's Lot.

3.2 Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the date on which all of the Lots planned by Declarant to be a part of the Community have been improved with a dwelling and conveyed to an Owner for occupancy as a residence; or (b) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. The directors appointed by the Declarant need not be Owners or residents in the Community.

The total number of Lots planned by Declarant for the Community shall initially be the number of Lots shown on the Declarant's site plan or concept plan for the development as it may

be amended from time to time. The final total number of Lots planned for the Community shall be the actual number of Lots shown on the recorded subdivision plats for the Community regardless of any different number of Lots shown from time to time on the site plan or concept plan.

3.3 Number of Directors. During the period that the Declarant has the right to appoint and remove the officers and directors of the Association as provided above, the Board of Directors shall consist of from one to three members as determined by Declarant in writing from time to time. Thereafter, the Board shall consist of three members, who shall be elected as provided in Section 3.5 below.

3.4 Nomination of Directors. Elected directors may be nominated from the floor, if a meeting is held for the election of directors and may also be nominated by a nominating committee, if established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.5 Election and Term of Office. After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting (or take action under Section 2.12 or Section 2.13 in lieu of a meeting) and the members shall elect three directors as follows: one (1) director shall be elected by the Owners of the Townhome Lots, one (1) director shall be elected by the Owners of the Detached Lots; and one (1) director shall be elected at-large by all members of the Association. Notwithstanding the foregoing, if either the Townhome Lot Owners or the Detached Lot Owners are unable to elect a director, such director shall be elected at-large by all of the Owners in the Community.

Elected directors shall serve staggered terms. Accordingly, the initial term of one director shall be fixed at one year and the initial term of two directors shall be fixed at two years. The initial elected directors shall decide the length of term that they will each serve. Thereafter, successors shall be elected to a term of two (2) years.

At annual meetings thereafter (or pursuant to Section 2.12 or Section 2.13 in lieu of a meeting), directors shall be elected as necessary to fill vacant seats on the Board, to preserve the scheme of staggered terms with one more or one less director being elected each year than in the previous year and to ensure that the Townhome Lots and Detached Lots have the opportunity to serve on the Board of Directors. All eligible members of the Association may vote on such directors to be elected by such members as provided above, and the candidates receiving the most votes shall be elected. No cumulative voting is permitted. Notwithstanding anything herein to the contrary, the members of the Board of Directors shall continue in office until their respective successors shall have been elected and take office.

3.6 Removal of Directors. At any annual, regular or special meeting of the Association, any one or more of the members of the Board of Directors elected by the members may be removed, with or without cause, and a successor may then and there be elected to fill the vacancy thus created as follows: (a) a director representing the Owners of the Townhome Lots may only be removed by a majority of the Total Association Vote of the Owners of the Townhome Lots and the successor shall also be an Owner of a Townhome Lot in the Community elected by the

Owners of the Townhome Lots; and (b) a director representing the Owners of the Detached Lots may only be removed by a majority of the Total Association Vote of the Owners of the Detached Lots and the successor elected shall also be a Detached Lot Owner elected by the Owners of the Detached Lots.

The notice of the meeting shall state that the purpose, or one of the purposes, of the meeting is removal of a director. A director whose removal by the members has been proposed shall be given an opportunity to be heard at the meeting. Additionally, any director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of an assessment for more than thirty (30) days may be removed by a majority vote of the remaining directors and the vacancy created thereby shall be filled as provided in Section 3.7 hereof.

3.7 Vacancies. Vacancies in the Board of Directors caused by any reason, excluding the removal of a director by vote of the Association as provided in Section 3.6 above, shall be filled by a vote of the majority of the remaining directors. If a Townhome Lot Owner resigns from the Board and was elected by the Townhome Lot Owners, the successor director shall also be a Townhome Lot Owner. If a Detached Lot Owner resigns from the Board and was elected by the Detached Lot Owners, the successor director shall also be a Detached Lot Owner. Each Person selected shall serve the unexpired portion of the term.

3.8 Organization Meetings. The first meeting of a newly elected Board of Directors shall be held within ten (10) days after the election at such time and place as the directors may conveniently assemble.

3.9 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by the Board, provided that, after the right of Declarant to appoint the directors terminates, at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the regular schedule shall constitute sufficient notice of such meetings.

3.10 Special Meetings. Special meetings of the Board of Directors shall be held when requested by the President, Vice President or by any two directors. The notice shall specify the date, time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery (including commercial delivery service) to such director's home or office; (b) written notice by first class mail, postage prepaid; (c) by telephone communication (including facsimile), either directly to the director or to the director's home or office; or (d) issued electronically in accordance with the Nonprofit Code, if the director has consented in writing to such method of delivery and has provided the Board with an address regarding the same. All such notices shall be given or sent to the director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited with the U.S. Postal Service at least four (4) days before the day of the meeting. Notices given by personal delivery, electronic transmission or telephone shall be given at least two (2) days before the day of the meeting.

3.11 Waiver of Notice. The business transacted at any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes either in writing or by electronic transmission which is included in the minutes or filed with the official records of the Association. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.12 Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors.

The nature of any and all business to be considered in executive session shall first be announced in open session.

3.16 Action Without A Formal Meeting. Any action required or permitted to be taken at a meeting of the directors may be taken without a meeting if one or more consents, in writing or by electronic transmission, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

3.17 Telephonic Participation. One (1) or more directors may participate in and vote during any meeting of the Board by telephone conference call or any other means of communication by which all directors participating may simultaneously hear each other during the meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by law, the Declaration, Articles, or these Bylaws directed to be done and exercised by the members. In addition to the duties imposed by these Bylaws or by any resolution of the Association that may

- (i) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the premium cost thereof;
- (j) keeping books with detailed accounts of the receipts and expenditures of the Association and the actions thereof, and specifying the maintenance and repair expenses and any other expenses incurred; and

- (4) that any statements, evidence, and witnesses may be produced by the violator at the hearing; and
- (5) that all rights to have the fine reconsidered are waived if a hearing is not requested within ten (10) days or, in the event of an unapproved sign, twenty-four (24) hours, of the date of the notice.

(b) If a hearing is requested within the requisite time as provided above, it shall be held before the Board in executive session, and the violator shall be given a reasonable opportunity to be heard.
