Article 2 Property Subject To This Declaration

2.1 Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit “A” attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation By Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until fifteen (15) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit “B” attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being subjected. Declarant intends to annex hereto the property contained in Declarant's land plan for the development as amended from time to time which property is a portion of the property described in Exhibit “B”. However, inclusion of property on Declarant's land plan or in Exhibit “B” shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. Any annexation shall be effective upon the filing for record of a Supplementary Declaration unless a later effective date is provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not materially changed and as long as rights of existing Owners are not materially and adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which

such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

2.3 Other Annexation. With the exception of any property that may be unilaterally annexed by the Declarant in accordance with this Declaration, upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; (c) the Owners of at least two-thirds of the Lots, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing a Supplementary Declaration describing the property being annexed for record in Cobb County, Georgia. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any such withdrawal shall be accomplished by the filing for record an amendment to this Declaration describing the property removed and shall be effective upon filing for record in the Office of the Clerk of Superior Court of Cobb County, Georgia unless a later effective date is provided therein. Such amendment shall be executed by the Declarant and the Owner(s) of the property being removed and shall not require the vote or consent of any other Person. Declarant also reserves the right to relocate boundaries, add or remove Lots and/or replat the Community as it determines necessary in its sole discretion.

Article 3

Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of the officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to one vote for each Lot owned. When more than one Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners

themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations.

3.3 Notice of Sale or Acquisition. Owners must keep the Association apprised of their name, address and telephone number. Accordingly, prior to the sale of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser and the date, time and place of the closing. Upon acquisition of a Lot, each new Owner shall provide the Association with written notice of the name, mailing address and telephone number of the Owner and the names of the Occupants of the Lot. All Owners shall notify the Association of any change in name, address or telephone number.

Article 4 Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges, interest (at a rate of ten percent [10%] per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Lot against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid annually. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities (including, to the extent provided by the Association, all water supplied to the Community), cleaning and janitor services, Community trash collection as provided in this Declaration, landscape maintenance, expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 Special Assessments. In addition to the general assessment, the Board may, at any time, and in addition to any other rights it may have, levy a special assessment against all Owners, notice of which shall be sent to all Owners. Any special assessment which would cause the average total of special assessments levied in one (1) fiscal year to exceed Two Hundred Dollars (\$200.00) shall be approved by a majority of the Total Association Vote and the Declarant prior to becoming effective. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and (b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.6 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale of transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder become due after such sale and transfer.

4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof that is delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due and interest shall be imposed at a rate of ten percent (10%) per annum on the principal amount due. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Cobb County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner for any assessments or installments which are not paid, including the right to vote, the right of enjoyment in and to the Common Property (other than access to such Owner's Lot) and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association, including without limitation, suspension of utility services provided by the Association, including but not limited to, the suspension of water service to a Lot, until all assessments, costs and re-

connection charges are paid in full. Any such suspension shall not affect such member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.8 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on first day of the month following the date a certificate of occupancy is issued on the Lot. The Declarant or any builder which the Declarant has designated in writing as an Approved Builder shall be exempt from the payment of assessments on any Lot on which the Declarant or the Approved Builder is the record title owner, provided, however, if any such Lot is occupied for residential purposes, assessments shall commence on the Lot.

4.9 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

4.10 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.11 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.

4.12 Initiation Fee. Upon conveyance of title to a Lot to the first Owner, and upon each and every conveyance thereafter, an initiation fee in the amount of \$500.00 for the Lot shall be collected from the purchaser at the closing of such transaction and paid to the Association. Notwithstanding the foregoing, an initiation fee shall not be collected in the following situations: 1) conveyances to the Declarant or an Approved Builder; 2) conveyances to the spouse of the Owner; and 3) conveyances to an heir of the deceased Owner. The initiation fee shall constitute a specific assessment against the Lot, shall be in addition to, not in lieu of, the annual general assessment and shall not be considered an advance payment of such assessment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and

other expenses incurred by the Association pursuant to the provisions of this Declaration. The Board of Directors may, upon resolution, increase the initiation fee; however, the initiation fee may not exceed the annual general assessment in effect at the time of the increase.

4.13 Foreclosure Administration Fee. It is recognized that foreclosures of mortgages on Lots create substantial administrative and other burdens on the Association. These additional burdens on the Association include, but are not limited to, having to monitor the status of mortgages and legal periodicals to determine when foreclosures occur, searching the Cobb County, Georgia land records to determine the names of the purchasers at foreclosure sales, contacting the foreclosure purchasers/Owners regarding foreclosure-purchaser responsibilities and assessment obligations and updating Association records multiple times to deal with just a single Lot. Pursuant to this Declaration, the Association is authorized to assess individual Owners certain fees and expenses occasioned by and benefiting just those Owners or those Owners' Lots. In accordance with these provisions, and in addition to annual assessments, special assessments, Initiation Fee, and other charges provided for in this Declaration, except as otherwise specifically set forth in this Declaration provided below, any Person who acquires a Lot at a foreclose sale of the mortgage on such Lot, or by deed in lieu of a foreclosure, will be required to pay the Association a "Foreclosure Administration Fee" of \$500.00 at the time the foreclosure deed or deed in lieu of foreclosure is recorded in the Cobb County, Georgia records. The Foreclosure Administration Fee shall constitute a specific assessment as described in this Declaration and shall be in addition to any outstanding assessments the Association is legally permitted to collect from the buyer at a foreclosure sale and/or the grantee/party receiving a deed in lieu of foreclosure. The Board of Directors may, upon resolution, increase the foreclosure administration fee; however, the initiation fee may not exceed the annual general assessment in effect at the time of the increase.

Article 5

Maintenance; Common Property

5.1 Owner's Responsibility. Each Owner shall maintain and keep his or her Lot, dwelling and all improvements thereon in good repair, condition and order. Such maintenance shall include, without limitation, the following: prompt removal of all litter, trash, refuse and waste; lawn mowing on a regular basis; tree and shrub pruning; watering landscaped areas; keeping improvements and exterior lighting in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways in good repair; complying with all governmental health and police requirements; maintenance of grading and storm water drainage as originally established on the Lot (notwithstanding any applicable local ordinances to the contrary); maintenance and repair of exterior damage to improvements, including, without limitation, painting and pressure washing as needed. Each Owner shall also maintain any public right-of-way located between the Owner's Lot and the curb of the street(s) bordering such Lot. Such maintenance shall be performed consistent with this Declaration and the Community Wide Standard established pursuant hereto. Each Owner shall perform his or her responsibility hereunder in such manner so as not to unreasonably disturb other Lot Owners.

Subject to the maintenance responsibilities herein provided, any maintenance or repair performed on or to the Common Property by an Owner or Occupant which is the responsibility of the Association hereunder (including, but not limited to landscaping of Common Property) shall be performed at the sole expense of such Owner or Occupant, and the Owner or Occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

5.2 Association's Responsibility. The Association shall maintain, keep in good repair, replace and, in the Board of Directors' discretion, improve or alter the Common Property and any entrance monuments or other improvements located within the Sign and Landscape Easement shown on the recorded plat(s) for the Community. This maintenance obligation shall include amenities, paved access and parking areas, greenbelts, trees, shrubs, grass, walks, drives and other improvements located on the Common Property. The Association shall also maintain and keep in good repair all water and sewer pipes or stormwater facilities which serve solely the Common Property, to the extent that such pipes and facilities are not maintained by public, private, or municipal utility companies. In addition, the Association shall maintain, keep in good repair, replace, and, in the Board of Directors' discretion, improve or alter any retaining wall serving more than one Lot and as shown on the recorded plats for the Community. The Association shall also maintain (whether or not constituting Common Property): (a) storm water detention/retention ponds and storm water drainage facilities serving the Community and which are not maintained by any municipal or governmental authority; (b) any signage or street lights serving the Community which are not maintained by any municipal or governmental authority; (c) any community mailboxes or central mailbox system; and (d) any fencing located solely on Common Property and specifically excluding any portions of a fence located on an Owner's Lot that tie into or connect a fence located on the Common Property.

The Association shall have the right, but not the obligation, to maintain public rights of way adjacent to the Community and other property not owned by the Association, if the Board of Directors in its sole discretion, determines that such maintenance would benefit the Community. At any point thereafter, the Board can cease to maintain such property and such maintenance obligation will revert back to the party originally responsible therefore. The foregoing maintenance shall be performed consistent with the Community Wide Standard.

If, during the course of performing its maintenance responsibilities hereunder, the Board discovers that maintenance, repair or replacement is required of an item which is the Owner's responsibility, and such maintenance, repair or replacement must be performed for the Association to properly complete its maintenance project, then the Association may perform such work on behalf of the Owner and at the Owner's sole expense, without prior notice to the Owner, such being deemed an emergency situation hereunder.

If the Board of Directors determines that the need for maintenance or repair on the Common Property is caused through the willful or negligent act of any Owner or Occupant or his or her family, guests, tenants, or invitees, then the Association may charge the cost of any such maintenance, repair, or replacement as a specific special assessment against the Owner's or Occupant's Lot and the Owner thereof.

The Association shall not be liable for injury or damage to person or property caused by the elements or by the Owner of any Lot, or any other person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Property or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder, unless such injury or damage results directly and solely from the negligence or gross negligence of the Association. The Association shall not be liable to any Owner, or any Owner's Occupant, guest or family for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Paragraph where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

5.3 Failure to Maintain. If the Board of Directors determines that any Owner has failed or refused to discharge properly his or her maintenance, repair or replacement obligations pursuant to this Paragraph, then the Association shall give the Owner written notice of: (1) the Owner's failure or refusal; (2) the Association's right to provide necessary maintenance, repair, or replacement at the Owner's sole cost and expense; and (3) the maintenance, repair, or replacement deemed necessary by the Board.

Unless the Board determines that an emergency exists or a violation is re-occurring for which notice previously has been issued hereunder, the Owner shall have 10 days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within 10 days. If the Board determines that an emergency exists, a violation is re-occurring for which notice has been previously issued hereunder or an Owner has not complied with the demand given by the Association hereunder, the Association may provide any such maintenance, repair or replacement, the costs of which shall be a specific special assessment against the Owner and the Lot.

5.4 Maintenance Standards and Interpretation. The Board of Directors may establish, interpret and enforce maintenance standards for the Community. These standards may vary over time, however, the variances shall not constitute a waiver by the Board of the right to establish and enforce maintenance standards under this Paragraph. No Board decision or interpretation regarding maintenance standards shall constitute a binding precedent with respect to subsequent Board decisions or interpretations.

5.5 Party Walls and Fencing. Each wall or fence or other appurtenance, whether built as part of the original construction of the Lots or added pursuant to the Architectural Standards herein, which shall serve and connect any two (2) adjoining Lots shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply

thereto. The cost of reasonable repair and maintenance of a party wall or fence or appurtenance shall be shared by the Owners who make use of the wall or fence or appurtenance in equal proportions. If a party wall or fence or appurtenance is destroyed or damaged by fire or other casualty, then any Owner who has benefited by the wall or fence or appurtenance may restore it, and the other Owner who is benefited by the wall or fence or appurtenance shall contribute one-half of the cost of restoration, without prejudice, however, to the right of any Owner to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions. In the event of any dispute arising concerning a party wall or fence or appurtenance, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

5.6 Conveyance of Common Property by Declarant to Association; No Implied Rights. The Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and maintained by the Association for the benefit of its members. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any conveyance to the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds and transfer tax declaration forms, necessary or convenient to effectuate and document any such conveyance to the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the real estate records of the county where the property is located. Declarant may, for so long as it has the right to appoint the Board of Directors, withdraw property from the Community or modify boundaries of any portion of the Community, as it determines in its sole discretion, including, without limitation, the withdrawal or changing of boundaries to previously conveyed Common Property to the Association. Notwithstanding the foregoing, changes to the boundary of a Lot require the consent of the Lot Owner and the Declarant.

5.7 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots.

5.8 Condemnation. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Property, unless within 60 days after such taking, an alternative plan is approved by at least 75% of the Total Association Vote and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.9 Liability. Owners, Occupants and their guests shall use the Common Property and all portions of the Community not contained within a Lot at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on the Common Property or any other portion of the Community. The Association shall not be liable for injury or damage to any Person or property (a) caused by the elements or by an Owner or any other Person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or Occupant for loss or damage, by theft or otherwise, of any property of such Owner or Occupant.

Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, storm and screen doors, storm windows, fencing, change in the exterior color of any existing improvement and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant or an affiliate of the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Lot without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Lot shall be subject to approval. This Article shall not apply to the activities of the Declarant, affiliates of the Declarant, an Approved Builder nor to improvements to the Common Property by or on behalf of the Association. This Article may not be amended without the written consent of the

Declarant until: (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.

6.2 Guidelines and Procedures. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written architectural guidelines and application and review procedures, which may provide for review fees, or, in the Declarant's discretion, impact fees. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines. The Declarant shall make the architectural guidelines available to Owners who seek to engage in construction upon all or any portion of the Community and such Owners shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed denied. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of any provision of this Declaration. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Additionally, any modifications or improvements made by an Owner shall be maintained, repaired and/or replaced by the Owner or their successors-in-title at his/her sole expense.

6.2 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association or the officers, directors, members, employees and agents of any of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.3 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to

withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

6.4 Variances. Notwithstanding anything to the contrary contained herein, the Declarant or the Board shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) estop the Declarant or the Board from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.6 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, Owners shall, at their own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. In addition to, or in lieu of, the Association may elect to impose fines for non-compliance with this Article as provided in this Declaration. All costs, including, without limitation, attorney's fees, may be assessed against the Lot as a specific assessment.

6.7 Architectural Review Committee. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant and recorded in the land records of the Clerk of the Superior Court of Cobb County, Georgia. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall automatically constitute the Architectural Review Committee of the Association, and shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The Declarant, may, in its sole discretion and at any point, partially surrender its rights hereunder for existing improvements to the Board of Directors and may retain its rights, power and authority under this Article as it relates to new construction. After the termination of all rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve building and construction activity within the Community and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article were a reference to the authority of or action by the Board of Directors.

Article 7
Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the consent of Declarant.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant in residence at the Lot may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or Bylaws; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

7.3 Signs. No sign of any kind shall be erected within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the Board of Directors. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs and security signs not larger than 18-inches by 18-inches and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure. The Board may impose a fine of One-Hundred and Fifty and No/100 Dollars (\$150.00) per day for display of any sign in violation of this provision which is not removed within twenty-four hours after written demand is delivered to the Owner of that Lot. The Declarant or the Board of Directors may promulgate rules and regulations governing the placement, types and duration of posting of signs, and specifically allowing for temporary signs.

7.4 Vehicles; Parking. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated areas, if any. No on-street parking, other than in connection with special events as approved by the Board of Directors, shall be permitted within the Community. All parking shall be subject to such rules and regulations as the Board may adopt. The term “vehicles,” as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, golf carts, trucks, campers, buses, vans and automobiles. The term “parking areas” shall refer to the number of garage parking spaces and the spaces located in the driveway of each Lot. All Lots shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors. Any towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go-cart, golf cart, commercial truck, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage, for periods longer than 24 hours may be removed from the Community by the Board of Directors. The Board of Directors may, but is not required to, provide written authorization to park certain vehicles as determined in its sole discretion (e.g. boat, recreational vehicle and/or motor home) to be stored on a Lot in a location other than the enclosed garage. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service or delivery within the Community.

If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed. The notice shall include the name and telephone number of the person or entity that will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the Owner or user of the vehicle.

If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any grassy area, or otherwise creates a hazardous condition, no notice shall be required and the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

7.5 Leasing. Lots may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. All leases shall be in writing and for an initial term of not less than twelve (12) months, except with written Board approval. Within seven (7) days after executing a lease agreement for the lease of a Lot, the Lot Owner shall provide the Board of Directors with: (1) a copy of the proposed lease; (2) the names, phone numbers, email addresses, work locations and work phone numbers of all of the proposed occupants of the Lot; (3) the Owner's address, and the Owner's phone number, email address, work location, work phone number and physical street address to be occupied by the Owner when the Lot is leased; and (4) such other information or lease administration fees as may be required by the Board. The Lot Owner must provide the lessee copies of the Declaration, Bylaws, and the rules and regulations. The Board may impose sanctions or take action to enforce the governing documents against the Owner, the Occupants or both for any violation of the Declaration, Bylaws or rules and regulations of the Association.

7.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, except as provided herein. Owners and Occupants may have dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs shall at all times when outside the Lot be kept on a leash or otherwise under control. All pets shall be registered, licensed and inoculated if and as required by law. Animal control authorities shall be permitted to enter the Community to patrol and remove unlicensed pets. An Owner shall not allow any animal waste to remain on the Common Property, Community open space, or any landscaped area maintained by the Association. The keeping of animals and pets in the Community shall be subject to such further rules and regulations as the Board may promulgate from time to time, including, but not limited to, limitations on breed, number of pets or size.

7.7 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition; nor shall any substance, thing or material be kept that will emit foul odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No activity that the Board of Directors determines to be noxious or offensive shall be carried on within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may, in the reasonable opinion of the Board of Directors, diminish or destroy the enjoyment of the Community by other Owners and Occupants.

7.8 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.9 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving or transmitting of radio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of

the Architectural Standards hereof; provided, however, no such approval shall be necessary to install (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the portion of the Lot which is least visible from public view unless an acceptable quality signal cannot otherwise be obtained.

7.10 Guns. The use of firearms in the Community shall be in accordance with all federal, state and local laws governing the use of firearms.

7.11 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained by an Owner unless approved in accordance with the Architectural Standards herein. The Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for health and safety of Owners and Occupants. The Declarant or the Board may adopt specific guidelines governing the placement and style of fences.

7.12 Air-Conditioning Lots. No window air conditioning units may be installed.

7.13 Lighting. Exterior lighting on any Lot shall not be permitted, except for: (a) approved lighting as originally installed on a Lot; (b) seasonal decorative lights; or (c) other lighting approved under and pursuant to the Architectural Standards.

7.14 Artificial Vegetation, Play Equipment, Exterior Sculpture and Similar Items. No artificial vegetation shall be permitted on the exterior of any property. No hammock, statuary, play equipment (including, without limitation, basketball goals), exterior sculpture or fountains may be erected on any Lot, without the prior written approval in accordance with the Architectural Standards hereof and/or compliance with written guidelines established therein, as applicable.

7.15 Flags. No flags may be displayed on any Lot without prior written approval in accordance with the provisions of the Architectural Standards; provided, however no such approval shall be required to display the flag of the United States of America and the current flag of the State of Georgia on a Lot in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed.

7.16 Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless approved in accordance with the provisions of this Declaration.

7.17 Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

7.18 Window Treatments. All Lot windows shall have window treatments and any portion thereof visible from outside the Lot shall be white or off-white in color, unless otherwise approved in accordance with the Architectural Standards. No sheets or foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

7.19 Storm and Screen Doors and Windows. Owners shall not add storm and screen doors and storm windows on any Lot without prior approval in accordance with the provisions of the Architectural Standards hereof.

7.20 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. Insurance and Casualty Losses

8.1 Hazard Insurance on Common Property. The Board of Directors shall obtain hazard insurance for all insurable improvements on the Common Property. This insurance shall include, at a minimum, coverage for fire, wind, storm, hail, vandalism, malicious mischief and civil commotion and shall be in an amount sufficient to cover the full replacement cost of such insurable improvements. Alternatively, the Board may purchase "all risk" coverage in like amounts. In the event of any damage to the Common Property caused or occasioned by the acts of an Owner or Owners, said Owner or Owners shall be responsible for any and all costs of repair or related deductible under the Association's insurance. Said costs shall constitute a specific assessment and shall be a binding personal obligation of the responsible Owner and a lien against the Lot.

8.2 Association Liability Insurance. The Board shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, in their capacities as such, with a combined single limit of at least \$1,000,000.00.

8.3 Directors' and Officers' Liability Insurance. The Board shall obtain a Directors' and Officers' liability insurance policy with a limit of at least \$1,000,000.00.

8.4 Fidelity Insurance. The Board, so long as it is reasonably available, shall obtain a fidelity bond or dishonesty insurance on Directors, Officers, employees, and other persons handling or responsible for the Association's funds, regardless of whether they are compensated by the Association. If reasonably available, the fidelity bond or dishonesty insurance shall cover at least one-quarter of the annual assessments from all members plus the reserve funds in the custody of the Association at any time during the term of the bond or policy. The bond or policy must provide that

it may not be canceled, substantially modified or subject to non-renewal without at least 30-days prior written notice to the Association.

8.5 Additional Association Insurance. The Board may obtain such additional insurance as it deems appropriate such as construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

8.6 Premiums and Deductibles on Association Policies. Premiums for all Association insurance shall be a Common Expense. The policies may contain reasonable deductibles. Deductibles shall not be subtracted from the face amount of the policies in determining whether the insurance equals the full replacement cost of the insurable improvements.

8.7 General Insurance Provisions. In addition to any other terms the Board deems appropriate, all Association insurance shall be governed by the following provisions:

- (1) All policies shall be written with a company licensed to do business in Georgia;
- (2) All policies on the Common Property shall be in the name of the Association for the benefit of itself and its members;
- (3) The Board shall have exclusive authority to adjust losses under all Association insurance policies;
- (4) The insurance carried by the Association shall be primary and shall not be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees; and
- (5) All hazard insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if reasonably available.

8.8 Individual Lot Owner Insurance. Each Owner shall carry hazard insurance on the Owner's Lot and the structures thereon meeting the same requirements as set forth herein for insurance on the Common Property.

8.9 Damage and Destruction.

(a) In General. Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessary to comply with applicable building codes.

(b) Repair and Construction. Any damage or destruction to property required to be covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of

the Total Association Vote and the Declarant otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment the Owners of all Lots. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.
